Spaceman Bill:

Make Me Commissioner Jane Leavy, 2025-09-09 Make Jane Commissioner Leavy has a voice demanding to be heard and Major League Baseball should listen THE WALL STREET JOURNAL A New York Times bestselling biographer and lifelong baseball devotee takes readers on an epic journey through the game that baseball has become a heartfelt manifesto that is perfect for lovers of the sport Jane Leavy has always loved baseball Her grandmother lived one long loud foul ball away from Yankee Stadium the same grandmother who took young Jane to Saks Fifth Avenue and bought her her first baseball glove It is no coincidence that Leavy was covering the game she loved for the Washington Post by the late 1970s As a pioneering female sportswriter she eventually turned her talent to books penning three of the all time best baseball biographies about three of the all time best players Sandy Koufax Mickey Mantle and Babe Ruth But when she went searching for a fourth biographical subject she realized that baseball had faltered The Moneyball era of the last two decades obsessed over data and slowed the game down to a crawl often at the expense of thrills skills and surprise Major League Baseball has begun to address issues too long ignored yet the questions linger how much have these efforts helped to improve the game and reassert its place in American culture Leavy takes a whirlwind tour of the country seeking answers to these questions talking with luminaries like Joe Torre Dave Roberts Jim Palmer Dusty Baker and more What Leavy uncovers is not only what is wrong with baseball and how to fix it but also what is right with baseball and how it illuminates characters tells stories and fires up the imagination of those who love it and everyone who could discover it anew *The Fiction Gateway* Suzanne Eberlé, Noelle Williamson, 2009 In this guide two experienced school librarians provide a selection of books for librarians teachers and parents The Fiction Gateway is an essential resource that supports individual group and social reading program and provides an instant guide to matching children's interests with suitable reading material *If This Is Heaven, I Am Going to Be a Good Boy* Kathleen Cleary, 2005 With a bridge in Boston and a bench in Falmouth dedicated to him Tommy Leonard has been widely recognized for his many acts of charity and his avid promotion of health and fitness The journey this affable Irishman took on his way to becoming one of Boston's most personable bartenders and the founder of the Falmouth Road Race began the day his father left him at a mission for children of the destitute at age six Author Kathleen Cleary recounts the struggles disappointments heartbreaks and humor of Tommy's childhood and teen years She also shares the sometimes painful and comical stories of his young adulthood Tommy's remarkable life transformed every corner of the world it touched whether the corner of Massachusetts Avenue and Commonwealth Avenue in Boston the roads of Fukuoka Japan the bayous of Houston or somewhere between two pubs in Woods Hole and Falmouth on Cape Cod Tommy Leonard's heartwarming story will teach you that in following your dreams embracing the positive will make all the difference A percentage of the sale of this book will be contributed to a retirement trust for Tommy *Evolutionary stories* Juhana Rask, 2025-11-04 Evolutionary Stories is a fictional science fiction novel consisting of five separate stories The stories are linked to each other with evolution as

their common theme However the novel cannot be accused of being too serious By focusing on evolution the novel inadvertently answers questions that interest us all How seriously should we take extraterrestrial intelligence given the level of intelligence on our own planet Where do we come from and are we actually going anywhere What time is it really Where did the chickens go All these questions deserve to be taken as seriously as they should be Major League Rebels Robert Elias, Peter Dreier, 2022-04-13 A captivating history of the baseball reformers and revolutionaries who challenged their sport and society and in turn helped change America Athletes have often used their platform to respond to and protest injustices from Muhammad Ali and Colin Kaepernick to Billie Jean King and Megan Rapinoe Compared to their counterparts baseball players have often been more cautious about speaking out on controversial issues but throughout the sport's history there have been many players who were willing to stand up and fight for what was right In Major League Rebels Baseball Battles over Workers Rights and American Empire Robert Elias and Peter Dreier reveal a little known yet important history of rebellion among professional ballplayers These reformers took inspiration from the country's dissenters and progressive movements speaking and acting against abuses within their profession and their country Elias and Dreier profile the courageous players who demanded better working conditions battled against corporate power and challenged America's unjust wars imperialism and foreign policies resisting the brash patriotism that many link with the national pastime American history can be seen as an ongoing battle over wealth and income inequality corporate power versus workers rights what it means to be a patriotic American and the role of the United States outside its borders For over 100 years baseball activists have challenged the status quo contributing to the kind of dissent that creates a more humane society Major League Rebels tells their inspiring stories **The Red Sox Encyclopedia** Robert Redmount, 1998 The Red Sox Encyclopedia is the definitive reference book on the proud history of one of the Major League Baseball's oldest and most storied franchises Notwithstanding the infamous Curse of the Bambino the Red Sox story is a matter of pride and achievement and of pleasure and excitement *Only Love Can Break Your Heart* David Samuels, 2008 Writing for Harper's and the New Yorker over the last decade David Samuels has penned a disillusioned love song to the often amusing and sometimes fatal American habit of self delusion reporting from a landscape peopled by salesmen dreamers radical environmentalists suburban hip hop stars demolition experts aging baseball legends billionaire crackpots and dog track bettors whose heartbreaking failures and occasional successes are illuminated by flashes of anger and humor Including profiles of Pacific Northwest radicals and Nevada nuclear test site workers alongside coverage of Pentagon press conferences and the Super Bowl in Detroit *Only Love Can Break Your Heart* proves Samuels to be a wonderful inheritor of the great journalistic tradition established by Gay Talese Tom Wolfe and Joan Didion in the 1960s This first collection of his painstakingly reported and wildly inventive writing reveals the full spectrum of his talents as well as an unusual sensitivity to both the tragic and comic dissonances bubbling up from the gap between the American promise of endless nirvana and the lives of ordinary citizens who struggle to live out

their dreams **The Pitcher** John Thorn, John Holway, 1988 The Law Reports: A-L Incorporated Council of Law Reporting for England and Wales, 1892 **Strikeout** William Curran, 1995 An informal and anecdotal history of the development of the role of the pitcher by a critically acclaimed student of baseball William Curran traces the development of the pitcher from his earliest days to his development as a dominant force Illustrations **The Law Journal Reports**, 1874

Schoenbaum, Ronald H. Rosenberg, 1991 **International Environmental Law and World Order** Lakshman D. Guruswamy, 1999 While both the environmental and international dimensions of law school inquiry continue to flourish a distinct offering in international environmental law is becoming prevalent This coursebook begins with a relatively detailed exploration of the key doctrines principles and rules of international law without which it is impossible to understand or apply international environmental law It summarizes the applicability of state responsibility to environmental wrongs and presents a series of hypothetical problems bearing fact patterns that mirror the real world Coursebook presents a simulated negotiation of a fictional draft protocol to the UN Framework Convention on Climate Change *The Hong Kong Law Reports*, 1989 **The Sporting News**, 1980 *Cases and Materials on Environmental Law* Roger W.
