

Teacher

Thankless as your job can be
You're right where you are
Meant to be

Everyday you share your light
And seek to teach that
Which is right

All your efforts, time and care
Is to a person
Very rare

Children's lives are changed by you
Inspired by the
Things you do

How their little faces glow
It's plain to see they
Love you so

Education's more than school
For those whose "Teach" is
So darn cool

Recognize the good you do
The world's made better
'Cuz of you...
