*The Mission and Death of Jesus in Islam and Christianity* A. H. Mathias Zahniser, 2017-09-15 The common wisdom is that Christians and Muslims should dialogue only about what they agree on This book takes a different approach As the author observes If we focus only on our common ground we will miss some of the motivating force of our traditions because that force derives not only from what we hold in common but also from those convictions that keep us apart The Hibbert Journal , 1908

**Jewish Christianity** Matt Jackson-McCabe, 2020-06-23 A fresh exploration of the category Jewish Christianity from its invention in the Enlightenment to contemporary debates For hundreds of years historians have been asking fundamental questions about the separation of Christianity from Judaism in antiquity Matt Jackson McCabe argues provocatively that the concept Jewish Christianity which has been central to scholarly reconstructions represents an enduring legacy of Christian apologetics Freethinkers of the English Enlightenment created this category as a means of

isolating a distinctly Christian religion from what otherwise appeared to be the Jewish culture of Jesus and the apostles Tracing the development of this patently modern concept of a Jewish Christianity from its origins to early twenty first century scholarship Jackson McCabe shows how a category that began as a way to reimagine the apologetic notion of an authoritative original Christianity continues to cause problems in the contemporary study of Jewish and Christian antiquity He draws on promising new approaches to Christianity and Judaism as socially constructed terms of identity to argue that historians would do better to leave the concept of Jewish Christianity behind

**Nazarenes** John Toland, 1999 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present day thinking Works collected here include masterpieces by David Hume Immanuel Kant and Jean Jacques Rousseau as well as religious sermons and moral debates on the issues of the day such as the slave trade The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic a debate that continues in the twenty first century The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification British Library T139629 Titlepage in red and black The Account of an Irish manuscript of the four Gospels and Appendix Containing I Two problems concerning the Jewish nation have separate titlepages and pagination the register is continuous throughout London printed and sold by J Brown J Roberts and J Brotherton 1718 2 xxv 1 85 3 57 3 16p 8
