S. Van Dine, 2020-05-22 Philo Vance curiously enough always liked the Gracie Allen murder case more than any of the others in which he participated The case was perhaps not as serious as some of the others although on second thought I am not so sure that this is strictly true Indeed it was fraught with many ominous potentialities and its basic elements as I look back now were in fact intensely dramatic and sinister despite its almost constant leaven of humor I have often asked Vance why he felt so keen a fondness for this case and he has always airily retorted with a brief explanation that it constituted his one patent failure as an investigator of the many crimes presented to him by District Attorney John F X Markham No oh no Van it was not my case at all don t y know Vance drawled as we sat before his grate fire one wintry evening long after the events Really y know I deserve none of the credit I would have been utterly baffled and helpless had it not been for the charming Gracie Allen who always popped up at just the crucial moment to save me from disaster If ever you should embalm the case in print please place the credit where it rightfully belongs My word what an astonishing girl The goddesses of Zeus Olympian m nage never harassed old Priam and Agamemnon with the clat exhibited by Gracie Allen in harassing the recidivists of that highly scented affair Amazin      *The Gracie Allen Murder Case* S.
