The Grand Slam Bobby Jones America And The Story Of Golf:

The Grand Slam Mark Frost, 2011-11-17 In the wake of the 1929 stock market crash an amateur golfer began a decade of unparalleled achievement seeming a ray of light in an otherwise depressed America Bobby Jones won the British Amateur Championship the British Open the US Open and the US Amateur Championship A new phrase was born The Grand Slam A modest sensitive man a lawyer from a middle class Atlanta family Bobby Jones had barely survived a sickly childhood and took up golf at the age of five for health reasons Jones made his debut at the US Amateur Championship in 1916 and his genius was recognised by his inspiration Francis Ouimet However his health was never good and the strain of completing the Slam exacted a ferocious toll the US Open played in July in blazing heat nearly killed him Jones fought to keep his fragile condition a secret from a country suffering from the Depression but at the age of twenty eight after winning the US Amateur he retired His abrupt disappearance at the height of his renown inspired an impenetrable myth to this day still fiercely protected by family and friends

Trials and Triumphs of Golf's Greatest Champions Lyle Slovic, 2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf's Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials

Historical Dictionary of Golf Bill

Mallon, Randon Jerris, 2011-01-21 Golf has been called the greatest of all games but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled. Traditional teaching holds that golf originated in Scotland around the 15th century. However, there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century. Over the many centuries of golf's evolution, the balls used have changed greatly, as have the clubs, the holes, the courses, and the entire game itself. The *Historical Dictionary of Golf* presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, photos, and over 300 cross-referenced dictionary entries on places, teams, terminology, and people, including Arnold Palmer, Greg Norman, Lee Trevino, Jack Nicklaus, Annika Sorenstam, Lorena Ochoa, Phil Mickelson, and of course Tiger Woods. Appendixes of the members of the World Golf Hall of Fame, the Major Championships of Golf, the International Team Events, and the Professional Tour Awards are also included. *Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia* Steven A. Riess, 2015-03-26 A unique new reference work, this encyclopedia presents a social, cultural, and economic history of American sports from hunting, bowling, and skating in the sixteenth century to televised professional sports and the X Games today. Nearly 400 articles examine historical and cultural aspects of leagues, teams, institutions, major competitions, the media, and other related industries, as well as legal and social issues, economic factors, ethnic and racial participation, and the growth of institutions and venues. Also included are biographical entries on notable individuals, not just outstanding athletes but owners and promoters, journalists, and broadcasters, and innovators of other kinds, along with in-depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting. A detailed chronology, master bibliography, and directory of institutions, organizations, and governing bodies, plus more than 100 vintage and contemporary photographs, round out the coverage.

Their Greatest Victory David L. Porter, 2013-07-30 This book profiles 24 athletes who overcame seemingly insurmountable medical odds to attain athletic success. Each profile describes the athlete's problem, the medical issues he or she faced, how success was achieved despite the setback, and the personal qualities that helped the athlete to prevail. Part I features 15 athletes who dealt with diseases and physical disabilities, including Babe Didrikson Zaharias (cancer), Ron Santo (diabetes), Gail Devers (Graves disease), Alonzo Mourning (kidney disease), Wilma Rudolph (polio), Scott Hamilton (a pancreatic disorder in childhood), and Jimmy Abbott (born with one hand). Part II highlights nine athletes who dealt with near-fatal or life-changing accidents and injuries, including Bill Toomey (Three Finger Brown), Greg LeMond, Lou Brissie, and Tommy John.

Rooting for the Home Team Daniel A. Nathan, 2013-05-01 *Rooting for the Home Team* examines how various American communities create and maintain a sense of collective identity through sports. Looking at large cities such as Chicago, Baltimore, and Los Angeles, as well as small rural towns, suburbs, and college towns, the contributors consider the idea that rooting for local athletes and home teams often symbolizes a community's preferred understanding of itself and that doing so is an expression of connectedness, public pride, and pleasure, and personal identity. Some of the wide-ranging essays point out

that financial interests also play a significant role in encouraging fan bases and modern media have made every seasonal sport into yearlong obsessions Celebrities show up for big games politicians throw out first pitches and taxpayers pay plenty for new stadiums and arenas The essays in Rooting for the Home Team cover a range of professional and amateur athletics including teams in basketball football baseball and even the phenomenon of no glove softball Contributors are Amy Bass Susan Cahn Mark Dyreson Michael Ezra Elliott J Gorn Christopher Lamberti Allison Lauterbach Catherine M Lewis Shelley Lucas Daniel A Nathan Michael Oriard Carlo Rotella Jaime Schultz Mike Tanier David K Wiggins and David W Zang
