*The Grandparents Story Book* Kjeld Lopdrup, 2001-11-01    **The Grandparents' Storybook : Vol. 1** Kjeld Lopdrup, 2002    [The Grandparents Story Book, Volume 2](#) Kjeld Lopdrup, 2004-02 The Grandparents Storybook Volume 2 When it comes to entertaining children whether by storytelling reading or getting them involved in play acting this book will fit the bill. In it you will find a smorg sbord of stories and plots tailored to catch the imagination and attention of children and also of many adults. The first part of the book contains eighteen new and original stories. Some are based on the classical repertoire of talking animals wizards genies kings and princesses and amazing feats and travels. Others are more contemporary in settings and use of characters and several may properly be classified as modern. In the more serious vein read for example Just Wait and See Mr Nicodemas or The Little Electron. Should you prefer comedies look up Of all the Luck Deep in the Heart The Dog Choir or My Oh My. If you are partial to the unusual the fantastic or the impossible try Jennifer's Invention The Incredible Phot nim motep or Oh that Scream of a Gull. And so on and on for just about any taste. In the second part of the book the author has attempted to compensate for the scarcity of children's plays for the stage. It is puzzling that so few plays involving children have been written when they enjoy acting as much as adults do. Or probably even more so. However except for support roles in adult plays very little has been published with children as the main actors. Included in this book are a series of mini plays all of them light hearted in tenor which are suitable to be played for a family and friends audience in a living room or on the lawn by young and even very young actors with only a modest amount of guidance from an adult. The kids will have a ball. And so will the grown ups watching them    [The Grandparent Bucket List](#) Lizzie
