THE ADVENTURES OF MAYA THE BEE - teaching children that all actions and decisions have consequences Waldemar Bonsels, 2018-11-15 These stories and adventures revolve around a little bee named Maya and her friends Willy the bee, Flip the grasshopper, Mrs Cassandra, Maya's teacher, and many other insects and other creatures. The book follows Maya's development from an adventurous youngster to a responsible adult. Written by Waldemar Bonsels, translated by Adele Seltzer, and illustrated by Homer Boss, with 4 full page colour plates and 33 in text Pen and Ink vignettes. The moral of this book teaches children about the consequences of their decisions as well as the consequences their actions and inaction. Maya is a bee born in a bee hive during a time of internal unrest; the hive is dividing itself into two new colonies. Maya is raised by her teacher, Mrs Cassandra. Despite Mrs Cassandra's warnings, Maya wants to explore the wide world and commits the unforgivable crime of leaving the hive and is exiled. During her adventures, Maya befriends other insects and braves dangers with them. In the climax of the book, Maya is taken prisoner by hornets, the bees' sworn enemies. Prisoner of the hornets, Maya learns of a hornet plan to attack her native hive. Maya is faced with the decision to either return to the hive and suffer her due punishment saving the hive or leaving the plan unannounced, saving herself but destroying the hive. After long consideration of her options, she makes the decision to return. On her return, she announces the coming attack and is unexpectedly pardoned. The forewarned bees triumph over the hornet attack force. Maya becomes a heroine of the hive and becomes a teacher like Mrs Cassandra, which allows her to share her experiences and wisdom with future generations.

The Adventures of Maya the Bee by Waldemar Bonsels A little bee is born in a large and busy hive At that time the hive is going through a period of unrest and there are fears that it will become subdivided into separate colonies The little new born Maya is under the care of a strict but loving teacher One day driven by curiosity and rebellion Maya escapes from the safe environs of the hive and flies into the forest Here she encounters all sorts of interesting exciting frightening and funny things The Adventures of Maya the Bee is the story of the intriguing days that follow While she echoed the romantic natural themes of her times her style was much more free and irregular causing many to criticize her and editors to correct her In the early 20th century when poetic style had become much looser new audiences learned to appreciate her work Here collected are many of her most contemplative most rebellious and dark works expressing her frustrations with the behavioral confines of her times and the confines of being human and unknowing of eternity Anthony Hope or Sir Anthony Hope Hawkins to give his real name was an extremely prolific British novelist and playwright However he is almost always associated only with his most famous book The Prisoner of Zenda published in 1893 He did write one sequel entitled Rupert of Hentzau in 1894 The

amazing success of the books allowed him to retire and devote himself to writing full time Readers thoroughly enjoyed the fast paced style of writing the witty and irreverent young hero and the touch of tragedy at the end of both books Hope went on to write several books of historical fiction set in various European kingdoms both big and small Besides novels Alger wrote poetry essays and articles for various magazines His work in rehabilitation and assistance to the underprivileged kids of New York is well known He left several unfinished books which were completed according to his last will and testament by Edward Stratemeyer the creator of the Hardy Boys and Nancy Drew series The story sets into motion when a young shepherd boy discovers a dragon residing in a cave near his family home and village Having read many stories concerning dragons the young boy has adopted an open minded attitude toward the feared creature and quickly befriends the dragon Moreover the dragon demonstrates a love for poetry which confirms his intelligence and civility and also gives an account of his life However the townspeople soon learn of the dragons dwelling and things quickly escalate as they perceive him as a danger to them all and a problem that needs to be dealt with accordingly Although the young boy welcomes him with open arms the townspeople on the other hand are not convinced of its harmless intentions and unanimously agree that the beast should be vanquished Subsequently St George arrives and is appointed the task of ridding the town of its unwelcome guest So St George the dragon and the shepherd boy are thrown into a thrilling predicament as they must join forces and come up with a solution that will fulfill everyones wishes This ebook include the original and unabridged content *Eric Or Little by Little*.
