**The Graveyard Shift** Maria Lewis,2023-09-12 When a horror loving radio show becomes the stage of a gruesome murder its host Tinsel Monroe is put next on the killer s list A fast paced thrilling murder mystery novel paying homage to slasher films of the 90 s The Graveyard Shift is the perfect Halloween read for fans of Riley Sager and Grady Hendrix Tinsel Monroe has busted her guts to get where she is Yet her dream of working in radio hasn t turned out to be everything she hoped it would Sure she has her own show aptly titled The Graveyard Shift where she celebrates the sounds of cult cinema but the wage is barely enough to cover her rent and the midnight hours are putting a strain on her relationship with her boyfriend Even after three years at Melbourne s coolest station she s seemingly no closer to a prime time slot That is until someone is murdered live on air Mistaking it for a Halloween prank a visit from police informs Tinsel that the hysterical call was in fact the real deal She s freaked out but her true crime obsessed sister Pandora is fascinated While detectives assure them the killer will soon be caught the bodies continue to drop with the killer striking in increasingly gruesome ways With a growing macabre audience to her radio show that potentially includes the killer Tinsel begins receiving strange messages over the text in lines Her workplace and even her home are suddenly not the sanctuaries she once thought Tinsel and her sister are left with no choice but to team up with Detective James as they race to find the connection between her and the culprit The people she thought she could trust are now those she should fear the most In order to survive Tinsel is going to have to listen to more than just the airwaves

*The Graveyard Shift* Jack Higgins,1990     *The Graveyard Shift* Harry Patterson,1990     *The Graveyard Shift* ,2013     *The Night Shift* Sophia Curie,2025-01-04 The Night Shift offers a compelling exploration of the vital but often overlooked 20% of the global workforce who keep our world running while others sleep Through a blend of scientific research and personal narratives the book illuminates the complex interplay between human biology economic necessity and social dynamics that shape the lives of night shift workers It meticulously examines how these workers adapt to operating against their natural circadian rhythms while maintaining essential services across healthcare transportation and financial sectors The book s three part structure takes readers on a journey from intimate personal experiences to broader systemic implications Drawing from chronobiology and occupational health studies it reveals fascinating insights about how the human body adapts to nocturnal schedules and the unique culture that emerges among night workers The research presents striking findings about the physiological challenges these workers face while also highlighting the economic imperatives that make 24 hour operations indispensable in our modern globalized world What sets this work apart is its comprehensive approach to addressing both challenges and solutions combining quantitative data with qualitative insights from workers across diverse industries The book serves as both a scholarly analysis and practical guide offering evidence based strategies for managing sleep patterns and implementing supportive workplace policies It appeals to a broad audience from policy makers and business leaders to current or prospective night shift workers providing
