**Wine, Women and Good Hope** June McKinnon,2015-10-01

While setting up a refreshment station in the Cape of Good Hope Jan van Riebeeck tried his hand at making wine and brewing beer This introduction partnered with its trusty bedfellow sex set the tone for what would become a hedonistic metropolis Wine Women and Good Hope is a romp through this more salacious history of the Cape looking at the antics of certain missionaries from the London Missionary Society whose wandering eyes and love of the flesh took precedence over their moral duty to the church and Cecil John Rhodes whose excessive indulgence in alcohol contributed to his own demise and no doubt influenced the disgraceful behaviour of some of his contemporaries Using her knowledge as a genealogist June McKinnon traces the lineages of many well known family trees to overturn the notion that those who lived in the past were nobler or had more sense than their modern descendants Encompassing tales that are both humorous and tragic in their revelations of past misdeeds this book will give you access to the little known history of the Cape of Good Hope and leave you asking the question What were my ancestors really up to Edge of Empire Maya Jasanoff,2007-12-18 In this imaginative book Maya Jasanoff uncovers the extraordinary stories of collectors who lived on the frontiers of the British Empire in India and Egypt tracing their exploits to tell an intimate history of imperialism Jasanoff delves beneath the grand narratives of power exploitation and resistance to look at the British Empire through the eyes of the people caught up in it Written and researched on four continents Edge of Empire enters a world where people lived loved mingled and identified with one another in ways richer and more complex than previous accounts have led us to believe were possible And as this book demonstrates traces of that world remain tangible and topical today An innovative persuasive and provocative work of history
