**Silence** David Hooper, 2025-03-20 This timely and important book focuses on the controversial issue of SLAPP cases

Strategic Lawsuits Against Public Participation which are designed to censor intimidate and silence critics by burdening them with aggressive opposing lawyers heavy legal costs and enquiry agents until they abandon the case David Hooper veteran media lawyer explores how the power of money enabled the very wealthy to crush their critics and outlines the tactics they used He examines how billionaire oligarchs often ex convicts and linked to organised crime have tried to launder their reputation in this country by suing for libel and how they have found lawyers only too happy to pocket their roubles Hooper describes his experience with some of these oligarchs including Boris Berezovsky when Hooper needed an armed bodyguard while collecting evidence in Moscow It was a case where both plaintiffs were ultimately murdered as was his client the editor of Forbes Russia The UK also has its home grown Slappsters of whom Nadhim Zahawi and Mohamed Amersi are the most recent examples They also come from Greece Sweden Azerbaijan Kazakhstan Malaysia Malta and the United

States Hooper describes how those with something to hide tried with varying degrees of success to stop you knowing about it and how their lawyers were willing to help them The well paid legal profession does not emerge with credit **[Living with London's Olympics I](#)** Lindsay,2014-11-12 The quadrennial summer Olympic Games are renowned for producing the world's biggest single city cultural event This mega event attracts a live audience of millions a television audience of billions and generates incredible scrutiny before during and after each installment This is due to the fact that underpinning the 17 days of spectacular sporting events is approximately a decade worth of planning preparing and politicking It is during this decade that prospective host cities must plan and win their bids before embarking upon seven years of urban upheaval and social transformation in order to stage the world's premier sporting event This book draws on seven years of ethnographic inquiry around the London 2012 Olympics and contrasts the rhetoric and reality of mega event delivery Lindsay argues that in its current iteration the twin notions of beneficial Olympic legacies and Olympic delivery benefits for hosting communities are largely incompatible

**[Globalizing Sport](#)** George H. Sage,2015-11-17 Sport is enjoyed by millions of people across the world and both watching and playing sport constitutes a major part of modern leisure time But sport is also a huge worldwide industry In *Globalizing Sport* George Sage invites readers to explore a deeper understanding of the global dynamics of sport not only competitions but of the big businesses of money media coverage athletic apparel and more He shows how phenomena such as migration labour commerce and politics affect the athletes and the fans continually reshaping the business and experience of sport *Globalizing Sport* puts sport in its political economic and social context revealing its connections with businesses countries media outlets and education systems **[Five Ring Circus](#)** Christopher A.

Shaw,2008-07-01 The shiny rings of the Olympic Games have grown tarnished over the years as doping corruption and other scandals rise to the surface Those scandals are the tip of the iceberg according to author Christopher Shaw the lead spokesperson for several anti Games groups *Five Ring Circus* details the history of how Vancouver won the bid for the 2010 Games who was involved and what the real motives were It describes the role of corporate media in promoting the Games the machinations of government and business and the opposition that emerged Disturbing questions come to light Why does the IOC pay no taxes Who are the real estate developers behind the Vancouver bid Why are mega projects paid for with tax dollars What are the true costs of the Games The Olympic Games once considered the pinnacle of athleticism and fair play have become a cesspool of greed backroom deals and the wholesale trampling of civil liberties In Vancouver preparations for the 2010 Games have had a substantial negative impact on the environment and has resulted in the economic cleansing of the poor and homeless This book is a cautionary tale for future Olympic bid cities and will appeal to those concerned about the effects of globalization on many aspects of life **[Sports Law](#)** Simon Gardiner,Roger Welch,Simon Boyes,Urvashi Naidoo,2012-03-12 Long established as the market leading textbook on sports law this much anticipated new edition offers a comprehensive and authoritative examination of the legal issues surrounding and governing sport internationally Locating

the legal regulation of sport within an explicit socio economic context this refocused edition is divided into four core parts Governance Commercial Regulation Sports Workplace and Safety in Sport Recent developments covered in this edition include EU competition law interaction with sport under arts 101 and 102 of the Treaty on the Functioning of the European Union the current World Anti Doping Agency code analysis of the recent Court of Arbitration for Sport Jurisprudence reforms of the transfer system in team sports anti discrimination provisions in sport engagement with match fixing a focus on the legal context of 2012 London Olympics Essential reading for students studying sports law or sports related courses this textbook will also prove useful to sports law practitioners and sports administrators in need of a clear companion to the field
