We Have Wandered from God's Perfect Plan ,Farikanayi,2024-11-19 Christianity can sometimes become a habit or a tradition something we are taught to be and which we claim without much thought about what it is or what it requires of us There are many influences vying for authority over our lives and sometimes their voices seem much louder than that of the God we claim to serve Who we have become as Christians and who God calls us to be can sometimes seem miles apart The Word of God does not always have the final authority over our lives so we have become who society culture traditions and churches say we should be But are we who God says we should be The Farther We Have Wandered from God s Perfect Plan is a personal reflection of where we are as believers in relation to who we should be as spouses parents servants in God s house and people in general It is a small nudge for us to search our lives and the things we have embraced as acceptable and see how they hold up to God s yardstick his own Word by which he sustains all areas of our lives Farikanayi was born and raised in Zimbabwe and later studied for a BSc and Teaching Certificate from Clark College Atlanta and East Carolina University in Greenville USA She worked in Zimbabwe as a teacher deputy head and head teacher then migrated to the UK with her two sons and two daughters before relocating to USA where she lives with her husband Wayne She graduated from
