## **The Great Substitution:**

**The Grand Substitution** Dr. Glenn R. Tingling BBA MDiv ThD, 2021-10-12 Firmly grounded in scripture The Grand Substitution by author Dr Glenn R Tingling provides an explanation of Second Corinthians 5:21 God made his son to be the sacrificial offering for sin so he could justly pardon and remove humanity's sin and in its place impute his righteousness to them Consequently believers in Christ stand in Christ's righteousness the requirement for eternal life and heaven The Grand Substitution a follow up book to The Imputation Triangle delivers detailed descriptions and definitions in answering the questions What is sin What is the sin nature How does it behave How to control it And who is a sinner explains the three types of righteousness human practical righteousness self righteousness and imputed righteousness addresses characteristics and roles of the three agents involved in the substitution transaction sinful humanity Christ the mediator and an offended holy God and provides from scripture a road map to obtaining assurance of salvation for believers in Christ Tingling blends a wealth of experience of more than sixty years as a practicing and serving Christian with a strong background in business and academic and theological education to offer an insightful challenging inspiring and practical discussion for those who seek a deeper understanding of salvation

**True Believers and the Great Replacement** Alf H. Walle, 2023-03-28 True Believers and the Great Replacement explores the responses of segments of Western cultures who fear that changes in the racial religious and ethnic makeup of society threaten their way of life The Great Replacement Theory that suggests that the traditional character of Western society is being undermined by outsiders is discussed Analyzed with reference to the Critical Race Theory and the Cancel Culture movement the author examines the anxieties and reactions of those who feel alienated by a world of rapid and disorienting change Drawing upon the thought of Eric Hoffer and Emile Durkheim these responses are discussed in terms of the concepts of anomie and the true believer in innovative and effective ways Based on this analysis strategic responses are suggested The volume will appeal to scholars and practitioners involved with issues of race and ethnicity business and social and cultural analyses

*Inside U.S. Immigration Policy* Bryan Warde, 2024-12-23 Inside U S Immigration Policy provides a comprehensive introduction to the development of U S immigration and immigration policies from the nation's colonial beginnings to the present day Written for students of social welfare social work public policy sociology and history the book develops a clear and historical framework for understanding current controversies around immigration Bryan Warde offers a thoroughly researched account of immigration policies spanning 1882 to the present and calls upon theories and ideologies that explain conflicting views and shifting attitudes on immigrants and immigration The book's discussion is organized chronologically and each chapter supports students in developing the skills and knowledge to analyze and unpack the extent to which societal structures and values may oppress marginalize alienate create or enhance privilege and power in the context of immigration policies It also reveals the forms and mechanisms of oppression and discrimination and leads readers to consider the sociopolitical factors that shape social

policy and the provision of services to marginalized populations Chapter summaries timelines and discussion questions throughout support learning and comprehension and encourage students to grasp the nuances and implications of this vastly important field of study This book is an excellent addition to a range of undergraduate and graduate courses on social welfare public policy social work sociology and history

## Enjoying the Melody of Term: An Psychological Symphony within **The Great Substitution**

In a world used by screens and the ceaseless chatter of quick communication, the melodic splendor and mental symphony produced by the published term usually diminish into the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. Nevertheless, set within the pages of **The Great Substitution** a marvelous literary prize filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that captivating masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound affect resonating within each carefully constructed phrase. Within the depths with this moving examination, we can investigate the book is key harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
