## **The Greatest Events The Century Collection:**

*Great Events in Religion* Florin Curta, Andrew Holt, 2016-11-28 This three volume set presents fundamental information about the most important events in world religious history as well as substantive discussions of their significance and impact. This work offers readers a broad and thorough look at the greatest events in world religious history covering a wide range of religious time periods and areas around the globe. The entries present authoritative information and informed viewpoints written by expert contributors that enable readers to easily learn about the chief events in religious history, help them to better understand the course of world history and promote a greater respect for culturally diverse religious traditions. The first of the three volumes covers religion from the preliterate world through around AD 600, the second the post classical era from 600 to 1450 and the third the modern era from 1450 to the present. Each volume begins with a substantive introduction that discusses the history of world religions during the period covered by the volume. The chronologically ordered entries overview each event, place it in historical context and identify the reasons for its enduring significance.
