The Greatest Good Judith S. Jacobson,1984 *American Philanthropic Foundations* David C. Hammack,Steven Rathgeb Smith,2018-04-16 Once largely confined to the biggest cities in the mid Atlantic and Great Lakes states philanthropic foundations now play a significant role in nearly every state Wide ranging and incisive the essays in *American Philanthropic Foundations* Regional Difference and Change examine the origins development and accomplishments of philanthropic foundations in key cities and regions of the United States Each contributor assesses foundation efforts to address social and economic inequalities and to encourage cultural and creative life in their home regions and elsewhere This fascinating and timely study of contemporary America s philanthropic foundations vividly illustrates foundations commonalities and differences as they strive to address pressing public problems *A Versatile American Institution* David C. Hammack,Helmut K. Anheier,2013-02-27 America s grantmaking foundations have grown rapidly over the course of recent decades even in the face of financial and economic crises Foundations have a great deal of freedom enjoy widespread legitimacy and wield considerable influence In this book David Hammack and Helmut Anheier follow up their edited volume *American Foundations* with a comprehensive historical account of what American foundations have done with that independence and power While philanthropic foundations play important roles in other parts of the world the U S sector stands out as exceptional Nowhere else are they so numerous prominent or autonomous What have been the main contributions of philanthropic foundations to American society And what might the future hold for them *A Versatile American Institution* considers foundations in a new way Previous accounts typically focused narrowly on their organization donors and leaders and their intentions but not on the outcome of philanthropy Rather than looking at foundations in a vacuum Hammack and Anheier consider their roles and contributions in the context of their times and their economic and political circumstances *Caring for the Heart* Bruce Fye,2015 This groundbreaking book describes developments in the diagnosis and treatment of heart disease explains how the Mayo Clinic became a world famous medical center and reveals how new technologies and procedures promoted medical specialization It is written for general readers as well as health care professionals historians and policy analysts *Foundation News* ,1985 *The Literature of the Nonprofit Sector* ,1989 The first volume was a cumulative volume which contained the Foundation Center collection Subsequent editions include all the Foundation Center acquisitions acquired annually as well as other current literature *Works of American Interest Added to the Library During ...* Wellcome Institute for the History of Medicine,1987 *Iowa Medicine* ,1986 **Generations** ,2007 *The Foundation Center's Guide to Grantseeking on the Web* ,2003 **Hospital Literature Index** ,1986
