Krauss, 2017-03-23 A great educator as well as a great physicist Richard Dawkins In the beginning there was light but more than this there was gravity After that all hell broke loose This is how the story of the greatest intellectual adventure in history should be introduced how humanity reached its current understanding of the universe one that is far removed from the realm of everyday experience Krauss connects the world we know with the invisible world all around us which is removed from intuition and direct sensation He explains our current understanding of nature and the struggle to construct the greatest theoretical edifice ever assembled the Standard Model of Particle Physics and then to understand its implications for our existence Writing in the critically acclaimed style of *A Universe from Nothing* Krauss celebrates the beauty and wonders of the natural world and details our place within it and how this shapes our understanding of it Krauss makes this story accessible through profiles of the scientists responsible for these advances and clear explanations of their discoveries Krauss takes us on a tour of science and the brilliant personalities who shaped it often against political and religious indoctrination enduring persecution and ostracism Krauss creates a captivating blend of research and narrative to invite us into the lives and minds of these figures creating a landmark work of scientific history      *The Greatest Story Ever Told* Fulton Oursler, 2013-10 This is a new release of the original 1949 edition      **The Greatest Story Ever Told** Fulton Oursler, 1989-08-25 Fulton Oursler's outstanding classic *The Greatest Story Ever Told* narrates the ever new everlasting story of the life of Jesus Christ Written with powerful simplicity and set against a rich and accurate historical background this account of the greatest life ever lived describes the moving story of Christ's nativity the flight of the Holy Family into Egypt Christ's youth His public ministry passion death and resurrection While there have been many lives of Christ published few have received so wide a popular acclamation as Fulton Oursler's classic tale Since it was first published in 1949 when it was instantly acclaimed by both the secular and lay press and endorsed by clergy of all faiths *The Greatest Story Ever Told* has gone into scores of printings has been read by millions and is one of the most successful bestsellers of all time The life of Christ is certainly the greatest story ever told and Fulton Oursler has told it superbly well      **The Greatest Story Ever Told** Robert Dickie, 2020-05-06 The greatest story ever told is the story of Jesus Christ the Son of God It has captured the imaginations of millions of people and has given the world the most profound moral teachings in the history of mankind The story of Jesus as found in the Bible is unsurpassed for the beauty glory and wonders of its themes It is a story that towers over history and has filled the hearts of those who worship Jesus Christ with unceasing devotion and undying love Discover this wonderful and life changing story for yourself in *The Greatest Story Ever Told*      **The Greatest Story Ever Told** Fulton Oursler, 1998-09-01      *The Greatest Story Ever Told*, 1962      *Catalog of Copyright Entries* Library of Congress.
