The Green Mouse:

The Green Mouse Robert Chambers,2020-03-07 The Green Mouse by Robert William Chambers Is one of the most popular books of Robert William Chambers and has been translated into several other languages around the world *The Green Mouse* Robert William Chambers,2020-09-28 Utterly unequipped for anything except to ornament his environment the crash in Steel stunned him Dazed but polite he remained a passive observer of the sale which followed and which apparently realized sufficient to satisfy every creditor but not enough for an income to continue a harmlessly idle career which he had supposed was to continue indefinitely He had never earned a penny he had not the vaguest idea of how people made money To do something however was absolutely necessary He wasted some time in finding out just how much aid he might expect from his late father s friends but when he understood the attitude of society toward a knocked out gentleman he wisely ceased to annoy society and turned to the business world Here he wasted some more time Perhaps the time was not absolutely wasted for during that period he learned that he could use nobody who could not use him and as he appeared to be perfectly useless except for ornament and as a business house is not a kindergarten and furthermore as he had neither time nor money to attend any school where anybody could teach him anything it occurred to him to take a day off for minute and thorough self examination concerning his qualifications and even his right to occupy a few feet of space upon the earth s surface Four years at Harvard two more in postgraduate courses two more in Europe to perfect himself in electrical engineering and a year at home attempting to invent a wireless apparatus for intercepting and transmitting psychical waves had left him pitifully unfit for wage earning There remained his accomplishments but the market was overstocked with assorted time killers His last asset was a trivial though unusual talent a natural manual dexterity cultivated since childhood to amuse himself something he never took seriously This and a curious control over animals had as the pleasant years flowed by become an astonishing skill which was much more than sleight of hand and he always as good humored as well bred had never refused to amuse the frivolous of which he was also one by picking silver dollars out of space and causing the proper card to fall fluttering from the ceiling Day by day as the little money left him melted away he continued his vigorous mental examination until the alarming shrinkage in his funds left him staring fixedly at his last asset Could he use it Was it an asset after all How clever was he Could he face an audience and perform the usual magician tricks without bungling A slip by a careless laughing fashionable young amateur amusing his social equals at a house party is excusable a bungle by a hired professional meant an end to hope in that direction **The Green Mouse** Robert William Chambers,2015-03-07 The Green Mouse from Robert William Chambers American artist and fiction writer 1865 1933 **The Green Mouse** Robert W.
