**Core** Kassten Alonso,2011-03-01 THIS INTENSE AND COMPACT NOVEL crackles with obsession betrayal and madness and was an Oregon Book Award Finalist for fiction 2005 As the narrator becomes fixated on his best friend s girlfriend his precarious hold on sanity rapidly deteriorates into delusion and violence This story can be read as the classic myth of Hades and Persephone Core rewritten for a twenty first century audience as well as a dark foreboding tale of unrequited love and loneliness Alonso skillfully uses language to imitate memory and psychosis putting the reader squarely inside the narrator s head In addition deliberate misuse of standard punctuation blurs the distinction between the narrator s internal and external worlds A sense of alienation and Faulknerian grotesquerie permeate this landscape where desire is borne in the bloom of a daffodil and sanity lies toppled like an applecart in the mud
