**The Grey Striped Shirt** Jacqueline Jules,1994 When Frannie finds a gray striped shirt in the closet she asks questions which lead her grandparents to tell her about their experience of the Holocaust

*The Hitler Youth* Alexa Dvorson,1998-12-15 Describes how many young Germans were drawn into the Nazi movement and how Germany came more and more under the total control of Hitler and the Nazis

How to Raise a Jewish Child Anita Diamant,Karen Kushner,2008-08-26 From the New York Times bestselling author of *The Red Tent* a classic parenting book that combines insights from Jewish tradition with contemporary thinking about how children learn and grow In this updated edition you will discover the practices customs and values that go into creating a Jewish home and raising joyful children within the rich traditions of Judaism

**Representing the Holocaust in Children's Literature** Lydia Kokkola,2013-10-15 Writing about the Holocaust and writing for young readers evoke two quite separate sets of concerns which are not always mutually compatible The first half of *Representing the Holocaust* focuses on how literary material can present historically verifiable material The second half examines how such materials will be perceived by young readers whether they will be able to determine any boundaries between fictionality and factuality and what motivates young readers to keep reading The work concludes by placing the study in the context of Holocaust education

**Teaching Jewish Holidays** Behrman House,Robert Goodman,2005-06 The consummate encyclopedia of holiday activities

**Children's Literature as Communication** Roger D. Sell,2002-01-01 In this book members of the ChiLPA Project explore the children s literature of several different cultures ranging from ancient India nineteenth century Russia and the Soviet Union to twentieth century Britain America Australia Sweden and Finland The research covers not only the form and content of books for children but also their potential social functions especially within education These two perspectives are brought together within a theory of children s literature as one among other forms of communication an approach that sees the role of literary scholars critics and teachers as one of mediation Part I deals with the way children s writers and picturebook makers draw on a culture s available resources of orality literacy intertextuality and image Part II examines their negotiation of major issues such as the child adult distinction gender politics and the Holocaust Part III discusses children s books as used within language education programmes with particular attention to young readers pragmatic processing of differences between the context of writing and their own context of reading

**The Holocaust in Literature for Youth** Edward T. Sullivan,1999 *The Holocaust in Literature for Youth* provides classroom teachers and public and school librarians a practical comprehensive resource guide to all of the literature available for children and young adults on the subject Holocaust education should be more than just the study of the names dates and places it must go beyond the superficial highlights of the textbooks An outstanding resource well organized and informative
