## **The Forsyte Saga The Official Companion:**

**The Forsyte Saga** Rupert Smith, 2002 The stunning TV tie in edition of Galsworthy's classic *The Forsyte Saga* *The Man of Property* and *In Chancery* features the first two novels of the saga that are the basis of ITV's major new period drama. Featuring an extremely strong cast and lavish production values which includes filming on location in the great houses of the north west of England *The Forsyte Saga* is ITV's major investment for 2002 with a production budget of over 6 million pounds. This book is the only edition that features just the novels adapted in the series and will be presented as a user friendly hardback edition with cast photography and series artwork. An epic drama of sex power and money *The Forsyte Saga* chronicles the lives of a middle class family over thirty four years. Spanning three generations it tells stories of character or glory their wealth and social status. Superior arrogant and confident on the surface the Forsytes are the ultimate powerful Victorian family but underneath is a festering core of unhappy and brutal relationships riddled with tensions and jealousies. Soames Forsyte is the rich successful partner in the family law firm values. His fiery tormented relationship with Irene his beautiful wife is at the heart of the saga. He adores her but she despises him and everything he stands for. Young Jolyon Forsyte is cousin and rival to Soames who shows the sensitive humanitarian side of the family. Irene Forsyte completes the triangle. Penniless but beautiful and accomplished she agrees to marry Soames Forsyte after an aggressive courtship. Naturally artistic and passionate she feels miserable caged in a cold marriage. Her life changes for ever when she meets Philip Bosinney an architect hired by Soames to build a country house. Bosinney is an outspoken sexy charming idealist. Irene falls in love and their affair becomes the catalyst that smashes the Forsyte family. Soames takes Bosinney to court bankrupts him and rapes Irene in a fit of jealous rage. Bosinney's shocking and bizarre death throws an accusing spotlight on the Forsyte family a self protective and merciless tribe were they ultimately responsible for killing him. [The Forsyte Saga](#) Rupert Smith, 2002 Set towards the end of the Victorian Era *The Forsyte Saga* is a work of greed passion unrequited love and simmering hatreds. This beautiful book gives an overview of nearly a century of *The Forsyte Saga* from the author John Galsworthy's life and times to the modern day screen adaptation. **Victorians on Screen** Iris Kleinecke-Bates, 2014-12-09 *Victorians on Screen* investigates the representation of the Victorian age on British television from the mid 1990s to the mid 2000s. Structured around key areas of enquiry specific to British television it avoids a narrow focus on genre by instead taking a thematic approach and exploring notions of authenticity realism and identity. **Philip and Alex's Guide to Web Publishing** Philip Greenspun, 1999 Web guru Philip Greenspun offers a comprehensive look at Web publishing with techniques and examples gleaned from his experiences in developing over 70 Web services. He has added fresh ideas and insights to this thoroughly revised guide including new chapters on electronic commerce and static site development more material on building systems to foster community and collaboration and new examples and case studies.
