The Four Codes Of Preaching:

The Four Codes of Preaching John S. McClure, 2003-01-01 The Four Codes of Preaching John McClure's first book length treatment of homiletical theory is a sophisticated and at times controversial contribution to the field of homiletics

The Four Codes of Preaching John S. McClure, 1991-01-01 John S. McClure develops a perspective on preaching through four codes or levels of purposeful interaction the Scripture code promotes sacred memory the semantic code vouches for the theological truth the symbolic code sponsors the congregation's theological worldview and the cultural code articulates the religious experience in the congregation These four codes form each preacher's homiletical profile and are used to inform the various rhetorical strategies From publisher's description *Learning Together to Preach* John S. McClure, Allie Utley, 2023-11-10 Preaching is best learned and improved when preachers receive excellent supportive reflection on their lived experiences and sermons For nearly ten years at Vanderbilt Divinity School a group of scholars and practicing preachers joined together to develop and hone several models of peer group and individual coaching In this book they describe the key dimensions of collaborative coaching a learner centered approach to coaching that emphasizes covenant building deep spiritual curiosity care filled listening ethical awareness attention to bodies and places parallel learning careful sermon analysis and the art of asking excellent questions In the final section of the book practitioners provide examples of this kind of coaching in practice **The four codes of preaching** John C.
