

The Four Zoas

Kathryn S. Freeman

The Four Zoas:

The Four Zoas William Blake, Patricia Hopkins Rice, 1983 **The four Zoas** William Blake, 1797 *Vala Or the Four Zoas* William Blake, 2015-07-11 *Vala or The Four Zoas* from William Blake English poet painter and printmaker 1757 1827

Spiritual History Andrew Lincoln, 1995 William Blake's *The Four Zoas* is one of the most challenging poems in the English language and one of the most profound. It is also one of the least read of the major poetic narratives of the Romantic period. *Spiritual History* presents a much needed introduction to the poem but it will also be of great interest to those already familiar with it. The first full length study to examine in detail Blake's numerous manuscript revisions of the poem *Spiritual History* shows this much misunderstood poem to be the most extraordinary product of the eighteenth century tradition of philosophical history. *Narrative Unbound* Donald D. Ault, 1987 *Narrative Unbound* is the first full scale interpretation of the verbal text of Blake's most complex long poetic prophecy *The Four Zoas*. Never engraved or published in the poet artist's lifetime the poem remains in a single manuscript apparently unfinished and heavily revised and yet is widely celebrated as one of Blake's most powerful narrative works. Ault challenges the view that the poem is intrinsically incomplete and flawed arguing instead that the famous difficulties of the text are aspects of Blake's transformative narrative strategies. By respecting the integrity of Blake's work taking every written mark on the page as potentially functional Ault shows how the intricate interweaving of narrative patterns and interruptions are instrumental to conscious reading. The poetic intent is nothing less than a complete renovation of the reading experience the potential of which is the realization of what Blake has called Four fold vision. Ault's approach serves as a guide both to reading *The Four Zoas* and to participating in a radical poetic method. *William Blake's "The Four Zoas"* Nancy A. Kaplan, 1900 Flexible Design John Benjamin Pierce, 1998 *Flexible Design* offers an extended and detailed treatment of the gradual shift that took place in Blake's poetics during the composition transcription and revision of *Vala or The Four Zoas*. Pierce traces how in the process of revision Blake experimented with characterization increased the importance of Christian symbolism and developed a mode of narrative presentation controlled less by chronological sequence than by the use of thematic juxtaposition and typology. *The Story in William Blake's 'The Four Zoas'* Michael Douglas Loudon, 1983 **Blake's Nostos** Kathryn S. Freeman, 1997-03-06 Blake's *Nostos* establishes *The Four Zoas* Blake's controversial unfinished epic as the culmination of the poet's mythos. Kathryn S. Freeman shows that in its freedom to experiment with nontraditional narrative this prophetic book is Blake's fullest representation of nondual vision as it coexists with the material world. Blake's scheme of consciousness eliminates the Enlightenment hierarchy of faculties in a structure centered around a nondual vision operating through and subsuming the fragmented world. The author draws on the analogue of Eastern philosophy to describe Blake's nondualism. According to this interpretation of Blake's epic consciousness itself is the hero whose *nostos* is the apocalyptic return to wholeness from the multiple ruptures that comprise the fragmenting journey of Albion's dualistic dream. Blake's *Nostos* demonstrates that for

each of the central elements of myth causality narratology figuration and teleology Blake superimposes such dual and nondual perspectives as time and eternity as well as bounded space and infinity

A Preface to William Blake's The Four Zoas Paul J. Mann, 1980 **Blake's Prophetic Workshop** G. A. Rosso, 1993 While William Blake's *The Four Zoas* may be fascinating to Blake scholars it presents formidable obstacles to even the most ardent Romanticist let alone interested critics or the general reader Blake's *Prophetic Workshop* attempts to clear some of these obstacles by studying the work from a variety of critical perspectives It assumes some familiarity with Blake's prophecies but is cast between the introductory and advanced levels of the two previous books published on the poem Although the major reading strategy is close textual analysis the poem is marked by various cultural and social contexts that need elucidation Chapters alternate between sketching these contexts and traditions and providing detailed readings within these contexts The first chapters give a reception history of the work and set it within the tradition of the eighteenth century long poem namely Thomson's *Seasons* Pope's *An Essay on Man* and Young's *Night Thoughts* texts that Blake critiques as Newtonian substitutions of Miltonic prophecy Chapter three tests these assertions by reading the poem's creation narratives in terms of Anglican Dissenting apologetics The final chapters sift the cultural contexts that shape Blake's use of biblical typology and scrutinize several continental philosophies of history and how they encroach on *The Four Zoas* as well as situate the poem in the apocalyptic moment of the 1790s While a pluralist approach is followed author George Anthony Rosso Jr subscribes to a fundamentally historical theory that places *The Four Zoas* in the broad and eclectic tradition of English poetic prophecy Aware of recent critiques of the prophetic Rosso pursues his theory with flexibility and tolerance for other viewpoints An appendix provides a useful commentary on the relations between the text and certain designs drawings and sketches in the manuscript Its aim is to show that Blake repeats key images in various frames to provide a sense of context and development and that the drawings expose what the narrative represses often in graphic sexual detail Rosso presents a Blake who is both deadly serious and disarmingly ironic about the relevance of prophecy in the modern world

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [Vala Or The Four Zoas by William Blake](#) William Blake, Gerald Eades Bentley (Jr), 1963 **The Selected Poems of William Blake** William Blake, 2000 William Blake is one of England's most original artists whose works aim to liberate imaginative energies This volume contains his greatest writings and a generous selection from the Prophetic Books including *Milton* and *Jerusalem*
