and how much money they made on the item You can then add up page by page how much each person made and total it at the bottom of each page to keep track of for each individual Whether you fill up ONE page or TWENTY you can then go back and add the totals from the bottom of each page instead of having to add a whole sometimes confusing list of them This garage sale book is a great idea to help everyone stay accountable and keep your sale organized after long hours out in the hot sun or if you are worn out from a busy day Perfect For Yard Sales Consignment Sales Yard Sales Multi Family Sales Flea Market Booth Sharing Craft Show Booth Sharing Church Rummage Sales     *The G-Sale Bible* Kimberly Foster,2018-12-30 I wrote this book as a guide for both sellers and sellers For Sellers this manual offers instructions on how to put on a spectacularly profitable sale I ve researched the best sales as well as the not so great sales I ve surveyed profitable and flat lined sale results and I ve hit on some tips and tricks guaranteed to help you whether you re buying or selling In my life I ve furnished entire homes with G sale finds Now people tend to use online classifieds to sell items that would normally be found at garage sales Some ads even go so far as to call themselves Online Garage Sales This method makes a lot of sense but it can also limit the audience Additionally there are huge advantages to flinging open the garage door and letting the world in Passing traffic negotiating deals impulse buying or just simply meeting your neighbors are just a few of the reasons garage sales are much more fun and profitable than posting online But I don t discount the online option In this book you ll learn how to use free online options to drive traffic to your real world sale For Sale ers Garage sale ing is so much fun As a hobby I ve been garage sale ing for forty years Personally I can t think of a better way to spend a Saturday than to go to the neighborhood sales and find treasures or complete junk at ridiculously cheap prices But finding great sales isn t easy In fact lately I ve found it can be next to impossible I wrote this book to improve your odds of finding that amazing sale I ve made all the mistakes both in trying to hold a sale and finding good sales and I ve compiled the right way to do it here     *The Great Garage Sale Book* Sylvia Simmons,1981     **Garage Sale Mania!** Chris Harold Stevenson,1988     **W Inging it** ,2004
