have moved so far from his walk with the Lord and the wisdom of the Proverbs to the pessimism of Ecclesiastes in one lifetime For this reason some have questioned Solomons authorship of the book But Solomon is only one of many who have taken a spiritual detour in life As a result there are many people in our nation and our world who can readily identify with the outlook of Ecclesiastes because they too are living their lives as Solomon did for a time under the sun This verse by verse tour of Solomons experience will help you understand where Solomons spiritual detour took him and where he finally came to realize he should have been going instead You will be encouraged to move out from under the sun to the abundance of life in the light of the Son
