The Goodbye

**United States. Army. Indiana Cavalry
Regiment, 8th (1863-1865)**

The Goodbye:

The Goodbye Man Chad Barton, 2011-07-08 As more people filled the packed church Jack was forced to move down the wall toward the front until he was very near the altar From that vantage point he could see the young mother's face He found himself staring at her unable to look away He didn't know why Perhaps it was the terrible sadness in her face He watched her intently as she clutched a little brown teddy bear and a picture of her daughter who now lay only feet away in a small casket The size of it made him wince Jack felt the anger rise within him At sixty years old Jack Steele has long since retired from putting criminals especially those that hurt children in prison Following his retirement from law enforcement he built a successful multimillion dollar company allowing him financial freedom in his golden years Following the unexpected loss of his wife Sarah however he withdraws into himself He becomes a loner whose only companion is his German shepherd Sadie Sick of a court system that lets monsters out of prison to torture and kill again and again he decides there is only one way to stop them Using his own resources his credentials as a retired police officer and his 380 Walther he and his dog begin to hunt bringing justice to those whom the system cannot control After all enough is enough The Goodbye Coast Joe Ide, 2022-02-01 Private eye Philip Marlowe is transplanted into 21st century Los Angeles in this tongue-in-cheek tribute to the classic works of Raymond Chandler The wisecracking dialogue outlandish characters and vicious slapstick make The Goodbye Coast a joy to read from the very first page The Times A terrific read pacy with tension pathos wonderful descriptions of LA and some lovely one liners Guardian Sunshine and skulduggery movie stars and mayhem Joe Ide brings us Philip Marlowe who wears our twenty first century like a well cut suit Ian Rankin How the hell do you write a mystery about Philip Marlowe set it in Los Angeles and still make it a total gobsnacking original That's the miracle of Joe Ide's The Goodbye Coast Ide has created a Philip Marlowe for the 2020s James Patterson Not so much a reimagining of Chandler's world as a reinvigoration By transplanting Philip Marlowe to 2021 LA Joe Ide has chiseled off the rust while keeping the soul of one of American fiction's icons The Goodbye Coast is a blast from start to finish Dennis Lehane The seductive and relentless figure of Raymond Chandler's detective Philip Marlowe is vividly reimagined in present day Los Angeles Los Angeles a city of scheming Malibu actresses ruthless gang members virulent inequality and washed out police Roaming the city streets is Philip Marlowe a quiet lonely remarkably capable private detective living beneath the shadow of his father a once decorated LAPD homicide detective now drinking his life away Marlowe's latest client is tyrannical starlet Kendra James Kendra's husband was fatally shot near their Malibu home but even though that murder remains unresolved the actress is more interested in tracking down her 17 year old stepdaughter who hasn't been seen for weeks But things get complicated after Marlowe lands a second missing person search from British academic Ren Stewart whose ex husband has kidnapped their seven year old son Steeped in the richly detailed ethnic neighborhoods of modern LA Ide's The Goodbye Coast is a bold recreation that is viciously funny ingeniously plotted and surprisingly tender *When Love Stayed, Even After the Goodbye*

Evan Colex,2025-12-24 Some love stories don't end They just wait At twenty Leo and Clara thought they had forever Then life pulled them apart she to Delhi he to a lonely routine in Mumbai Promises faded into silence Memories were tucked away in a box under the bed Their love story it seemed was over Fifteen years later an email arrives Hello after a very long time One simple message unravels years of quiet longing A cautious meeting over coffee in Mumbai stirs more than just memories it stirs hope But they are no longer the dreamers who said goodbye at the railway station They are adults shaped by loss responsibility and the quiet ache of a love that never completely died As they navigate fragile new beginnings from Mumbai to Delhi to Singapore they must confront old hurts face new fears and learn the hardest lesson of all love isn't about never saying goodbye It's about choosing each other after you do Perfect for fans of Jojo Moyes Nicholas Sparks and heartfelt reunion romances this novel explores The power of second chances Love that survives time and distance Family forgiveness and finding your way back Building a future from the fragments of the past Project Dictator Rhum + Clay,Hamish

MacDougall,2023-10-04 It's time you realised that your show is a thing of the past It's dead A fragment of history This is the future and I need you to come on board Their choice To die onstage or off it Beautiful and bonkers it's the clown show about totalitarianism you never knew you needed Rhum Clay's Project Dictator was informed and inspired by conversations with international artists living under authoritarian regimes It returned for a UK tour after critically acclaimed runs at New Diorama Theatre in April 2022 and at Edinburgh Fringe Festival in August 2022 Originally commissioned by New Diorama Theatre for its 10th Anniversary Season Project Dictator was also supported using public funding from Arts Council England This edition was published to coincide with the UK tour starting in September 2023 **The Goodbye Book / El Libro Del Adiós** Todd Parr,2024-08 Through the lens of a pet fish who has lost its companion the book tells a touching and hopeful story about saying goodbye to someone you love Addressing the host of emotions children learn that it's okay not to know all the answers and that someone will always be there to support them **Self-supporting Churches and how to Plant Them** Wilmot Henry Wheeler,1899 *Writing Television & Motion Picture Scripts that Sell* Evelyn Goodman,1982

stayed in her marriage to the guy she met when she was eighteen and she stayed at her bookstore while the world outside shifted steadily toward digital retailers And she stayed loyal to a faith she sometimes didn't recognize After ten years Annie realized she might never leave But instead of regret she had an epiphany She awakened to the gifts of a quiet life spent staying put In *Ordinary Time* Annie challenges the idea that loud lives matter most Rummaging through her small town existence she finds hidden gifts of humor and hope from a life lived quietly Staying can itself be a radical act It takes courage to stay in the places we've always called home Annie argues as she paints a portrait of possibility far away from thriving metropolises and Monica Gellar inspired apartments We've long been encouraged to follow our dreams to pack up and move to new places and leave old lives and past selves behind While there is beauty in these kinds of adventures *Ordinary Time* helps us see ourselves right where we are in the middle of messy mundane lives maybe not too far from where we grew up We don't have to leave to find what we yearn we can choose to stay celebrating and honoring our ordinary lives which might turn out to be bigger and better than we ever imagined **The Musical Herald and Tonic Sol-fa Reporter**, 1897
