The Gordon Lindsay Story:

The Gordon Lindsay Story Gordon Lindsay, 1964 **The Healer-prophet** C. Douglas Weaver, 2000 This study of William Marrion Branham's ministry reveals much about the healing methodology of deliverance evangelists Branham's theology of healing highlights the widely accepted role of evangelists as mediators between God and the afflicted The dynamic growth of Pentecostalism in the twentieth century is a major feature of the modern religious scene Branham is acknowledged as a leader of the healing revival movement Although little known outside of the Pentecostal movement his work had tremendous influence on today's televangelists and the whole of Pentecostalism itself **Systematic Theology, Volume 1, Fourth Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **All Things Are Possible** David Edwin Harrell, 1979-01-21 The first book to tell the story of the enterprisers who have personal followings a missing link in the chain of American religious movements Martin E Marty author of October 31 1517 Martin Luther and the Day that Changed the World Written by a Professor Emeritus at Auburn University this is the first objective history of the great revivals that swept the country after World War II It tells the story of the victories and defeats of such giants of the revival as William Branham Oral Roberts Jack Coe T L Osborn and A A Allen It also tells of the powerful evangelists who carried on the revival including Robert Schambach and Morris Cerullo Those who lived through the great revivals of the 1950s and 1960s will be thrilled to read about those exciting days and those interested in the religious

history of the United States need to read this book to see what has led us up to this present moment in time Harrell has obviously attended countless rallies read sheafs of literature and personally interviewed many of the principals He tells the story in a largely biographical format This makes for lively reading The New York Times Book Review A book about healing revivalists that takes them seriously and treats them fairly Journal of Southern History Will be a definitive work for some years to come Reviews in American History Will attract readers interested in the reasons behind the various fat and lean periods among revivalists Publishers Weekly Harrell's book will doubtless be the definitive work on the subject for a long while who else will wade through Healing Waters and Miracle Magazine with such fastidious care Kirkus Reviews

Pentecost To The Present Book Three Jeff Oliver, 2017-06-01 Without knowing the Holy Spirit's work in history we cannot possibly understand what He is doing today much less prepare for what He will do In this third and final installment the reader will learn how Charles Parham founded the modern Pentecostal baptism with speaking in tongues how Evan Roberts gained worldwide attention through the 1904-05 Welsh revival and how William Seymour spearheaded an international Pentecostal movement from Azusa Street in Los Angeles in 1906 The reader will learn how Pentecostalism spawned new denominations national and international ministries global renewal movements and inspired innovators to take modern revivalism to a whole new level Then when Pentecostalism penetrated American Middle class Protestantism many observers began speaking of a third force in Christianity Meanwhile revolutionary changes in the Catholic Church opened the door for the Catholic Charismatic Renewal Then just as the charismatic movement was beginning to subside in America it went global as charismatic mega churches Bible schools and television networks took the message of renewal to the world The twenty first century has witnessed a dramatic shift in Christianity to the Southern Hemisphere fueled in part by the global rise of Pentecostalism with many new movements on the horizon

Come Out Of Her My People: (Vol. I) A History of The Message of William Branham Charles Paisley, 2024-06-01 William Branham was a influential Pentecostal ministers of the mid 20th century who began a cult following known as The Message While many biographies of William Branham have been published this is the first book on the history of The Message movement Written by the former associate pastor of the second oldest Message church in the world this book explores The Message community and the origins of its ideology The Message did not appear in a vacuum The ideology of The Message is merely a continuation and evolution of belief systems which came before What was that system Where did the ideology come from Are the sources reputable How did the early Message community form This first volume of the history of The Message will begin to shed light on these questions
