The Gospel According To Mark

R. Alan Cole

The Gospel According To Mark:

The Gospel According to Mark R. Alan Cole, 1989 Cole's study on the Gospel of Mark is part of the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue dependence on scholarly technicalities *The Gospel according to Mark*

James R. Edwards, 2001-11-08 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark's controversial ending **The Gospel According to Mark**

George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection *The Beginning of the Gospel*

Eugene LaVerdiere, 1999 Mark wrote the beginning of the Gospel for Christians who thought it was the end For that he told them a story of another time when Jesus disciples thought it was the end but turned out to be the beginning That is why the passion resurrection of Jesus dominates the Gospel according to Mark Using rhetorical and literary analysis Father LaVerdiere introduces Mark's story as the beginning of the Gospel as we enter a new millennium **The Formation of the Gospel According to Mark**

Etienne Trocmé, 1975 [The Gospel According to Mark](#) G. Campbell Morgan, 2010-04-01 Mark was probably the first Gospel to be written and traditionally has been associated with Peter who opened the door of faith to the Romans as the human source Service is its keynote and speed its characteristics There is a charm about it which is distinctively its own much of which is created by the bluntness and brevity of the writing of a man evidently untrained in literary methods but also by its fast moving chronological continuity There is a freshness and vigor about it which immediately grips and binds In reading it we are able swiftly but with keen and alert interest to move with Jesus of Nazareth through the wonderful crowded years of His public ministry Dr Morgan prepared these expositions in the very spirit of the Gospel while preaching frequently and moving rapidly but with captured heart Their supreme purpose is to help hurrying men and women in these rushing days to go in the company of Jesus of Him who ever moved with haste but always with poise and peace along the tortuous and at times terrifying highway of life [The Formation of the Gospel According to Mark](#) Étienne Trocmé, 1963 **The Gospel According to Mark**

Joseph Addison Alexander, 1858 *The Gospel According to Mark* Charles Francis Digby

Moule,1965-01 This volume on Mark's Gospel is one of the series of commentaries on the New English Bible designed for use in schools and training colleges and for the layman Each volume will comment on one book or two or three short books of the Bible beginning with the New Testament already published In each the text will be given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care is being taken to see that the commentary is suitable to the student and the layman there is no Greek or Hebrew and no strings of biblical references but the commentary does convey the latest and best scholarship The general editors all have experience of teaching or examining in school and working with adults There will also be a general introductory volume Understanding the New Testament and a volume of maps and plates The New Testament Illustrated **The Gospel According to Mark** John Clowes,1858 *The Gospel According to Mark* ,1963 **The Gospel of Mark** R. T. France,2002 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text **The Gospel According to St Mark** Vincent Taylor,1966 **The Gospel According to Mark** Joseph Addison Alexander,1864 **The Gospel According to Mark** Marie Noonan Sabin,2016-12-01 New Collegeville Bible Commentary The Gospel According to Mark Volume 2 The absence of stories of Jesus birth and infancy a minimum of Jesus parables and a resurrection scene without sight or sound of the risen Jesus have tempted readers to shortchange Mark's Gospel Thanks to the insightful analysis and inspiring reflections of Marie Noonan Sabin anyone studying this premier Gospel with her guidance will recognize the genius of the original author Sabin asserts that Mark's Gospel is not an eyewitness account or a work of biography or history She writes What Mark gives us is far richer He interprets Jesus in the light of the Hebrew Bible showing Jesus to be not only a teacher of Wisdom but Wisdom itself calling his followers to an unconventional wisdom a way of living and a way of dying that he himself exemplifies The cover of this commentary from The Saint John's Bible highlights Sabin's thesis that the transfiguration of Jesus is pivotal to the Gospel The scene 9 2 8 overshadows both parts of the Gospel emphasizing God's creative transforming transfiguring power to restore life Sabin gives special attention to Mark's key words and phrases e g release rise up or be raised straightway and ecstasy and his pattern of twos and threes Especially helpful are the summaries at the end of each chapter Here is a commentary that will restore Mark's prime place among the other two Synoptic Gospels Marie Noonan Sabin Ph D has taught the Gospel of Mark at Bangor Theological Seminary an earlier book on Mark Reopening the Word was published

by Oxford University Press in 2002 *The Gospel According to Saint Mark* Morna Dorothy Hooker, 2009-09 Since its appearance nearly 35 years ago Black's New Testament Commentary has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary This Black's volume injects fresh life into the series Basing her observations on her own new translation of the Greek text Hooker explores pericope by pericope what the author of Mark's Gospel wanted his original readers to understand what he says about the historical Jesus and the early community of the faithful and what he conveys theologically throughout the entire Gospel **The Gospel According to Mark**, 1986 *The Gospel According to Mark. Translated from the Greek on the Basis of the Common English Version ..*, 1858 **The Gospel According to Mark**, 2010-12-01 The earliest of the four Gospels the book portrays Jesus as an enigmatic figure struggling with enemies his inner and external demons and with his devoted but disconcerted disciples Unlike other gospels his parables are obscure to be explained secretly to his followers With an introduction by Nick Cave *The Gospel According to St. Mark*, 1974
