The Gospel And Ignatius Of Antioch:

The Gospel and Ignatius of Antioch Charles Thomas Brown, 2000 The letters of Ignatius of Antioch written ca 110 C E are a primary witness to the beginnings of post New Testament Christianity's movement to define its message organization and practice This book focuses on a specific facet of Christian life in Ignatius world the articulation of the central Christian message the gospel Thus this study examines Ignatius gospel with respect to its content and form its place among the gospels of earliest Christianity as well as its use by Ignatius to delineate what is for him acceptable belief and practice within the church

A Study of Ignatius of Antioch in Syria and Asia Christine Trevett, 1992 This study examines the letters of this bishop martyr as products of both Antiochene and Roman Asian influences After an overview of scholarship on Ignatius there is an examination of the Christian situations in Antioch and Asia The writer concludes that relations were troubled between Ignatius and other Christians in Antioch and that the circumstances of his martyrdom included Ignatius having given himself up to the authorities The emerging catholic tradition which Ignatius represented was among a variety of Christianities whose identities are considered in chapter five The Ignatian letters preserve interesting parallels with Matthean Johannine and Pauline thought as well as with the language and ideas of IV Maccabees and of later Gnosticism Attention is also given to the possible influence on Ignatius and his opponents of the Didache the letter of Clement to the Corinthians and of the Apocalypse

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of

God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey, and are the basis of our ongoing transformation to become like Jesus.

[The Epistles of St. Clement of Rome and St. Ignatius of Antioch](#) Pope Clement I, 1946 St. Clement's epistle, written c. 96, is called the first epistle and is a model of a pastoral letter. The epistles of St. Ignatius, Bishop of Smyrna, at the beginning of the second century, are addressed to six Christian communities.

The Gospel of Matthew and Christian Judaism David C. Sim, 1998-01-01 In this meticulously researched study, David C. Sim reconstructs the Matthean community at the time the Gospel was written and traces its full history. Dr. Sim demonstrates that the Matthean community should be located in Antioch in the late first century, and he argues that the history of this community can only be understood in the context of the factionalism of the early Christian movement. He identifies two distinctive and opposing Christian perspectives: the first represented by the Jerusalem church and the Matthean community, which maintained that the Christian message must be preached within the context of Judaism; and the second represented by Paul and the Pauline communities, in which Christians were not expected to observe the Jewish law. Dr. Sim reconstructs not only the conflict between Matthew's Christian Jewish community and the Pauline churches but also its further conflicts with the Jewish and Gentile worlds in the aftermath of the Jewish war.

The Conceptual Worlds of the Fourth Gospel Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over and over, and through John's story of Jesus, are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond. These ideas did not originate in a vacuum. They have recurred and been repeated before and after the writing of the Fourth Gospel. For this reason, we will examine the meaning of its words and themes in the context of its Jewish Greco-Roman milieu. Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases, as well as parallel concepts and images from the Old Testament, the Dead Sea Scrolls, Philo, and other relevant writings. Such parallels will help to determine the meaning of a word or expression, the translation of a particular language, determining any direct influences upon the Fourth Gospel, parallel traditions, or the influence of its ideas as a creative and inspiring work of later
