# The Gospel Of Islam

**Jan Paul Heering**

## **The Gospel Of Islam:**

**The Gospel for Muslims** Thabiti Anyabwile,2018-01-02 How to meet a critical need sharing the gospel with Muslims There are over three million Muslims living in the United States today Soon if not already you will have Muslim neighbors and coworkers Does the thought of reaching out to them with the gospel make you nervous How can you effectively communicate the good news with such large theological differences The Gospel for Muslims can help make sharing your faith easier than you think Thabiti Anyabwile who is himself a convert from Islam to Christianity instructs you in ways to discuss the good news of Christ with your neighbors and friends The Gospel for Muslims allows you to focus on the people rather than the religious system Meant for the average Christian it is not an exhaustive apologetic or comparative study of Christianity and Islam Rather it compellingly stirs confidence in the gospel equipping you with the basics necessary to communicate clearly boldly and winsomely

**The Gospels in Islamic Context** Georgina L. Jardim,Ida Glaser,Shirin Shafaie,2025-08 [Answering Islam](#) Norman L. Geisler,Abdul Saleeb,2002-08 Apologetic guide compares the major tenets of Islam with Christianity

**ISLAM AND MUSLIMS** GODSWORD GODSWILL ONU,2015-03-27 Islam is the religion of the Muslims which was started by Mohammad and whose religious book is the Koran A Muslim is someone whose religion is Islam The Jews who persecuted and killed Jesus Christ did not know that satan had deceived them but they thought that they were working and fighting for God This is the same thing that is happening with the Muslims now The Muslims do not know that satan has deceived them but they believe that they are on the right course and they are ready to fight for God in deception Islam is a religion which openly challenges Christianity But let us love them enough to go and preach the Gospel of Jesus Christ which will save their souls from Eternal Condemnation in the Lake of Fire and Brimstone to them We must not hate them no matter what they do Remember that the Bible tells us to love our enemies

**The Gospel of Islam** Duncan Greenlees,1948 [The Gospel According to Islam](#) Ahmad Shafaat,1979 [The Bible and Islam](#) Henry Preserved Smith,1897

**The Qur'an by the Light of the Gospel** Patrick John,2018-02-23 If a Muslim came to a Christian and asked him to explain his belief in Jesus Christ how would a Christian respond If an Imam asked a Christian Pastor to bring evidence of the Gospel s authority would a Pastor welcome the opportunity And if any Muslim would ask a Christian to judge between their respective beliefs would a Christian know how to do it These questions presupposed an occurrence that most Christians will never encounter because most Muslims do not ask Yet the Qur an has been asking these exact same questions of us for the last thirteen hundred years Should we ignore the Qur an for another Millennia It is time to answer On a visit to my local mosque I asked the Imam if I could pray with him Before I started to pray the Imam quickly interjected You are not going to pray to Mary are you That there are those who pray to Mary and worship her is maybe understandable but it is not Biblical Christians are told in the Qur an to desist using the term Trinity But the word Trinity is not found in the Bible I believe as Abraham believed that there is a God that can be seen and a God that we do not see BUT they are one and the same Allah is

not a name but the Arabic word for God even Christians in the Middle East use the word Al Ma idah 47 Let the People of the Gospel judge by what Allah has revealed in it Isaiah 43 10 You are my witness declares the LORD and my servant whom I have chosen that you may know and believe me and understand that I am he Here we hopefully put right many misconceptions and bring what God has revealed **Jesus, Prophet of Islam** Muhammad Ata ur-Rahim,Ahmad

Thomson,2003-11-11 First published in 1977 Muhammad Ata ur Rahim s classic text examines Jesus as a prophet teaching the Unity of God and the historical collapse of Christianity as it abandoned his teaching Now revised by coauthor Ahmad Thomson the book sketches the dramatic picture of the original followers of Jesus who affirmed Unity showing how Christianity became the fiction that replaced their truth A wide ranging study that covers the Gospel of Barnabas the Gospel of Hermes the shepherd early and later Unitarian Christians and Jesus in the gospels and in the Qur an and hadith Jesus Prophet of Islam argues persuasively that the idea of Jesus as part of a trinity was a Greek pagan concept adopted by early Christian missionaries to gain converts among the Greeks and did not become a widely accepted Christian doctrine until after the Council of Nicea in 325 A D *The Truth About Islam* Steve Urick,2014-07-25 Islam which began fourteen hundred years ago in Arabia claims to be the one true religion given to mankind by the one true God Allah and his lone messenger Muhammad It has since grown to almost 1 5 billion followers today and is quickly growing Islam claims to be a peaceful religion but is often known to be violent and threatens the freedom of the entire world What are the teachings of Islam and how does it compare to the Bible *The Truth About Islam* examines the Quran Koran the God of Islam its pagan origin the Jesus of Islam its salvation plan Sharia law and slavery and its violent ideology of Jihad against all infidels non Muslims in light of the Bible and world history This concise and easy to read book will not only teach you what Islam basically believes but also equip you to confidently reach out to Muslims with the gospel of Christ and refute many of Islams errors It also clearly presents the gospel of grace to any Muslim who is searching for the truth and desires to know how to have assurance of eternal life **On the Relation of Islam to the Gospel** Johann Adam Möhler,1847 Christ in Islam Ahmed

Deedat,199? The Christian does not know that the true spirit of charity which the Muslim displays always towards Jesus and his mother Mary spring from the fountainhead of his faith the Holy Qur an He does not know that the Muslim does not take the holy name of Jesus in his own language without saying Eesa alaihi assalam Jesus peace be upon him The Christian does not know that in the Holy Qur an Jesus is mentioned twenty five times **The Gospel and Islam** Don M. McCurry,1979

Hugo Grotius As Apologist for the Christian Religion Jan Paul Heering,2004 This study presents a new analysis of the historical meaning of Grotius apologetic work It means to answer two chief questions what were Grotius motives to write this work and what sources did he use **Gospel for Muslims** Steve Bell,2012-02-01 Steve Bell has distilled three decades of experience in cross cultural communication of the Gospel to ordinary Muslim people Gospel For Muslims asserts that all theology including Western theology is influenced by the culture of those who write it Help is therefore needed to move

beyond the western understanding of the Bible in order to tell Muslims the good news about Jesus in more accessible ways and enable them to believe and follow him in culturally appropriate ways even if it means doing so from outside institutionalized Christianity    **Journeys of the Muslim Nation and the Christian Church** David W. Shenk,2003-10-12 Islam and Christianity seem to be at opposite and unbridgeable poles both committed to world mission Given the political tension and violent acts that sometimes surround these two major world religions it is essential for both sides to understand the other its history beliefs traditions and vision for the future This invaluable resource from David W Shenk an expert in comparative religious studies examines Islam and Christianity at their deepest spiritual cultural and communal levels It explores the similarities and yet unavoidable differences found in Isaac and Ishmael Jesus and Muhammad the Bible and the Qur an Jerusalem and Medina the Eucharist and the Hajj the Church and the Ummah Reflecting years of conversations and dialogue with Muslim friends this is narrative theology full of anecdote and personal experience that bridges the poles and builds understanding Part of the Christians Meeting Muslims series    *The Philosophy of the Christian Religion* A. M. Fairbairn,2017-03-09 This book may be described as an attempt to do two things first to explain religion through nature and man and secondly to construe Christianity through religion The author conceives religion to be a joint product of the mind within man and the nature around him the mind being the source of the ideas which constitute its soul the nature around determining the usages and customs which build up its body He does not think therefore that any one of its special forms can be explained without the local nature which begot and shaped it or that its general being can be resolved and construed without the reason or thought which is common to the race He sees in religion the greatest of all man s unconscious creations and the most potent of the means which the past while it was still a living present formed for the making of the man and the times that were yet to be From the Preface    *The Truth About Islam and Jesus* John Ankerberg,Emir Caner,2009-08-01 Christians are often surprised when they hear Muslims say We believe in Jesus too and we hold Him in great esteem But what do they really mean Are the Muslim Jesus and the Christian Jesus the same person Immersed in the Islamic worldview as the son of a devout muezzin mosque leader Emir Caner helps readers untangle two very different belief systems He and John Ankerberg take on the tough questions What role does Jesus have in Islam What does the Qu ran say about Him What does it not say Why are Muslims repulsed by the idea that Jesus is the Son of God fully God and fully man What do Muslims have in mind when they acknowledge Jesus as virgin born How can Christians discuss these belief differences without insulting Muslim friends and acquaintances A concise authoritative guide for informed Muslim Christian interaction    *Muhammad and Jesus* William E. Phipps,1996 Here is a thoroughly researched and provocative study of the two most influential figures in Western history The book begins with a comprehensive biographical investigation of the early lives of the Meccan and the Nazarene and a thoughtful assessment of their later contributions as statesman and reformer Phipps then debunks many of the invidious myths about Jesus and Muhammad during the course of a careful exploration of

the ways in which they interpreted Hebrew scripture their prescriptions for moral conduct and their attitudes toward rewards and punishment on earth and in the afterlife     **The Natural History of the Christian Religion** William Mackintosh, 1894
