The Gospel Of The Gospels:

The Four Gospels and the One Gospel of Jesus Christ Martin Hengel, 2000 For the evangelists and for Paul the gospel is both narrative and proclamation *The Gospel and the Gospels* Peter Stuhlmacher, 1991 In this collection of essays presented at a scholarly symposium held in 1982 in Tübingen Germany New Testament exegetes and church historians from several countries uncover lines of convergence in the study of the historical sources and traditions behind the four canonical Gospels **The Gospel and the Gospels: Christian Proclamation and Early Jesus Books** SIMON J. GATHERCOLE, 2022-08-11 **The Gospel in the Gospels** William Porcher Dubose, 1908 *Why Four Gospels? Or, The Gospel for All the World. A Manual Designed to Aid Christians in the Study of the Scriptures, and to a Better Understanding of the Gospels* Daniel Seely Gregory, 2024-06-01 Reprint of the original first published in 1876 **The Gospel of the Lord** Michael F. Bird, 2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird's study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series *The Gospel in the Gospels* William Porcher Dubose, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt THE GOSPEL IN ST JOHN All our interpretation so far of the higher being of our Lord is expressed in terms of Christian thought prior to the writings of St John that is it marks the progress from the point of view of the Synoptic Gospels to that of the last of the Gospels If apart from any particular phrases or statements which are always susceptible of diverse understandings I should undertake to deduce from the whole mind of St John his conception of the phenomenon presented to the world in the person of Jesus Christ I should express it as he himself does in the opening words of his first epistle Jesus Christ is to him always the Word first last and complete of God Now whatever else or more that Word expresses and all that God has revealed or shall reveal of Himself is expressed in Him it is manifested to us first as a word of life The Life was manifested and we have heard and seen and known it by every evidence in which it is possible for human experience to attest itself What do we mean by The Life We mean the life lived by God lived humanly among us by Jesus Christ lived by us to whom in union and unity with Himself He imparts it St John preaches the life that all may share it and our participation in it he declares is with the Father and with His Son Jesus Christ As to what the life is he declares it to be what God is viz light which means pure truth pure holiness pure blessedness The lack or opposite of either of these ignorance sin sorrow is

darkness and death If we are walking in the light then we know that we have the life The blood of Jesus Christ cleanseth us from all sin because we are dead to sin by participation in His death and alive to holiness through experience of *Why Four Gospels? Or, The Gospel for All the World* D. S. Gregory,1880 *Let the Gospels Preach the Gospel* Christopher J. H. Wright,2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons **The Gospel in the Gospels (Classic Reprint)** William Porcher Dubose,2015-07-09 Excerpt from *The Gospel in the Gospels* The title of the present volume is intended to indicate that while it aims to be an exposition of the whole Gospel of Jesus Christ it does not purpose to be a whole or final exposition of that Gospel It looks forward definitely to a further and fuller expression of it We have here to do with the Gospel not in its developed utterance as that of the New Testament or of the Church but only so far as it is contained in our canonical Gospels or can by ourselves be deduced from them My own position is that while the Gospel as an act or fact is complete in Jesus Christ Himself the rationale of its operation in human salvation is best interpreted and stated by St Paul My true objective point has therefore been the completer construction of the Gospel according to St Paul to be treated in a volume to follow the present one That the epistles of St Paul are an interpretation only and not a transformation nor even an essential modification of the Gospel of our Lord is next to the hope of casting a single new ray of light upon the nature of the Gospel itself the point which I have most at heart to prove in the end About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Studies in the Gospel of Mark** Martin Hengel,2003-03-14 Here Professor Hengel argues with a wealth of documentation that the traditional views of the origin and tradition of the Gospel of Mark have far more to be said for them than has been usually allowed by modern New Testament scholars He argues that the tradition contained in the Gospel is that handed down by Peter through Mark and that the Gospel was written in Rome in AD 69 The famous note by Papias quoted in Eusebius Church History is not to be dismissed but has every appearance of being reliable Further evidence in support of this view can be found in a detailed consideration of the

titles of the Gospels which must have been attached to the Gospels at a very early stage if only to identify them An appendix by the distinguished classical philologist Wolfgang Schadewaldt on The Reliability of the Synoptic Tradition is used to add further weight to the case With his customary learning Professor Hengel has produced a powerful argument which those who have held more radical views than his own will have to consider very carefully indeed if they are to continue to carry conviction

Jesus Tried and True H. H. Drake Williams, 2013-01-11 Are the gospels found within the New Testament superior to others Has the church unfairly chosen Matthew Mark Luke and John while leaving out many others Are there truly lost Christianities that would enrich our understanding of Jesus Would modern day seekers as well as followers of Jesus be better served by including gospels outside of the New Testament in their understanding of Jesus Jesus Tried and True answers these questions by examining the date source and reception of the canonical gospels of Matthew Mark Luke and John and then comparing this data with the other gospels It assesses this information by looking within these gospels and also evaluating early church history examining the writings of early church writers such as Papias Ignatius of Antioch Justin Martyr Irenaeus and Eusebius It then compares these findings with the date source and reception of the non canonical gospels that have received the most attention lately such as the Gospel of Thomas Gospel of Mary Gospel of Judas Gospel of Philip and Gospel of Peter There is also a brief survey of thirteen of the most important non canonical gospels The survey provides an opinion on the dependence of these upon the gospels within the New Testament JJesus Tried and True affirms the superiority of the New Testament gospels It concludes by addressing whether non canonical gospels are lost Christianities and also whether the designation apocryphal is appropriate for other gospels

The Earliest Gospels Charles Horton, 2004-01-30 Horton brings together the latest research on the origins of the gospels and their transmission and provides the only guide to the Chester Beatty Codex P45 Provides an introduction to the gospel genre and examining literacy among early Christians and all that is known about the origins and transmission of the gospels Also focuses on the significance of P45 its place as the earliest Christian gospel book its unique readings the earliest extant version of the gospel of Mark and how the manuscript was found piece by piece by an American collector

The Gospel Behind the Gospels Ronald Allen Piper, 1995 This collection of sixteen essays from an international team of major gospel scholars provides fascinating insights into the early source of Jesus sayings known as Q and sheds important light upon current debates about the historical Jesus and Christian origins

The gospel in the gospels William P. Du Bose, 1911 The Audience of the Gospels Edward W. Klink III, 2019-06-27 The discussion initiated by The Gospels for All Christians Rethinking the Gospel Audiences edited by Richard Bauckham has had a profound effect on gospel study and has been probed and debated at major conferences as well as at an international conference on the Gospel of John 2002 Almost every commentary or major monograph on the gospels has had to deal with its thesis In light of this ongoing debate stretching nearly a decade it seems that a further volume is sorely needed Even more there is now a pressing need for further definition and clarification of the

concepts and ideas that were originally presented as well as a more precise dialogue over these hotly debated issues in gospel interpretation with scholars who have been participating in the discussion since its inception This multi contributor volume will press forward an important discussion centered upon the audience of the gospels continuing further the quest for understanding the origin and function of the gospels in early Christianity The Shape of the Gospel Robert C.

Tannehill,2007-02-20 Most of the following essays reveal my interest in the significance of literary forms both the short literary forms in the Gospels such as pronouncement stories and an entire Gospel as a formed narrative I am interested in the significance of these forms not just in literary classification systems I am interested in literary form as a clue to how the text may engage hearers and readers impact their thought and life if they are sensitive respondents The Gospel stories have been shaped in ways that give them particular potentials for significant engagement Study of literary form can help us recognize these potentials from the Introduction Contents Part I Gospel Sayings and Stories 1 Tension in Synoptic Sayings and Stories 2 The Pronouncement Story and Its Types 3 Varieties of Synoptic Pronouncement Stories 4 Types and Functions of Apophthegms in the Synoptic Gospels 5 The Gospels and Narrative Literature 6 You Shall Be Complete If Your Love Includes All Matthew 5 48 Part II The Gospel of Mark 7 The Disciples in Mark The Function of a Narrative Role 8 The Gospel of Mark as Narrative Christology 9 Reading It Whole The Function of Mark 8 34 35 in Mark s Story Part III Paul s Gospel 10 Paul as Liberator and Oppressor Evaluating Diverse Views of 1 Corinthians 11 Participation in Christ A Central Theme in Pauline Soteriology The Fourfold Gospel Or a Harmony of the Four Gospels John William McGarvey,Philip Yancy

Pendleton,2017-09 This spiritual classic by J W McGarvey and Philip Y Pendleton arranges the gospel in chronological order creating a flow and harmony perfect for New Testament study This thorough commentary is arranged to account for the life of Jesus Christ we begin with his years prior to entering the ministry continue through his time spent with John the Baptist and preaching for three passovers and concluding with Christ s death and resurrection The major sermons and events depicted in the Gospels receive subtitles that the reader may follow the narrative progress and easily reference the corresponding scripture Being as this is a classic narrative the authors use the King James Version of the Bible In each part the four books of the Gospels Matthew Mark Luke and John are referenced according to the letters A B C and D Variations upon the readings are contained within braces that readers may gain great insight both into the story of Christ and the context of the Biblical era The exact layout and mechanisms of the book are intensively explained in the introductory part so that students may comprehend this book s purview precisely As well as the unique method of sequential arrangement this text elaborates on much of the terminology and references included in the Four Gospels Readers can derive insight and clarity from the bracketed notes explaining the more obscure words locations and names mentioned in the scriptural passages Usually these notes are brief numbering but a few words however when explanation is demanded the authors impart it First published in the early 20th century this text combines the knowledge and study of two theologians and

educators J W McGarvey and Philip Y Pendleton Both bring decades of professional study and experience to this work which gained popularity among preachers Sunday Schools and members of the laity desiring a deeper understanding of the events of the Gospels The Writing of the Christian Gospels Rick Herrick,2025-01-28 Biblical scholarship has come a long way from the notion that the four Gospels were written by an evangelist who was an eyewitness follower of Jesus The story of how these Gospels were actually written is a fascinating one Anyone with an intellectual interest in the New Testament should not miss this book The Gospel in Parable John R. Donahue,1988-01-01 Professor Donahue here argues that the parables of Jesus offer a Gospel in miniature while at the same time giving shape direction and meaning to the Gospels in which they appear To study the parables of the Gospels is to study the gospel in parable After surveying recent discussions of parable metaphor and narrative Donahue examines and interprets the parables of Mark Matthew and Luke as texts in the context of the theology of each of these Gospels Finally he outlines what The Gospel in Parable looks like and offers suggestions for the proclamation of parables today
