Paterson-Smyth,2008-12-01    [The Gospel of the Hereafter](#) J. Patterson Smyth B.d.,2016-05-02 The Lord is risen but the people do not know it There is no death but the people do not believe it Human life is the most exciting romantic adventure in the Universe going on stage after stage till we are older than Methuselah and then on again through the infinite eternities and yet men pass into the Unseen as stupidly as the caterpillar on the cabbage leaf without curiosity or joy or wonder or excitement at the boundless career ahead Instead of the thrill of coming adventure we have the dull grey monotony of aged lives drawing near the close and the horror of this war is doubled and the torture of wife or mother as the beloved one crosses the barrier What is the matter with us Christian people Do we not know Or have we lost our beliefs or has imagination grown dulled by too frequent repetition of God s good news It was so different in early days when the world was younger when Christ s revelation was fresh Look at St John four score years and ten like an eager boy looking into the Great Adventure Beloved now are we the sons of God and IT DOTH NOT YET APPEAR WHAT WE SHALL BE    **The Gospel of the Hereafter (Classic Reprint)** J. [Gospel of the Hereafter](#) ,1910    **The Gospel of the Hereafter** J. Paterson Smyth,2017-05-17 IS IT MY BODY Nay surely not I know that my body is only my outward garment woven by me out of certain chemical substances In a scientific museum I can stand before a glass case and see neatly labelled the exact portions of lime and silica and iron and water and other elements which compose my body I know that this body is continually changing its substance like the rainbow in the sky like the eddy round a stone in the river The body I have to day is no more the body of last year than the fire on my hearth

to night is the fire that was there this morning I have had a dozen different bodies since I was born but I am the same still Every thinking man knows that the I the real self stands behind the body looking out through the windows of the eyes receiving messages through the portals of the ears It rules the body it possesses the body It says I have a body This body is a thing belonging to me    **The Gospel of the Hereafter [microform]** John Paterson Smyth,1994    The Gospel of the Hereafter ,2015    The Gospel of the Hereafter ,19??    *The Gospel of the Hereafter* J Paterson 1852-1932

**The Christian Moses** Phillip Rousseau,Janet A. Timbie,2019-08-09 As it developed an increasingly distinctive character of its own during the first six centuries of the common era Christianity was constantly forced to reassess and adapt its relationship with the Jewish tradition The process involved a number of preoccupations and challenges the status of biblical and parabiblical texts several of them already debatable in Jewish eyes the nature and purposes of God patterns of prayer both personal and liturgical ritual practices ethical norms the acquisition and exercise of religious authority and the presentation of a religious face to the very different culture that surrounded and in many ways dominated both Christians and Jews The essays in this volume were developed within that broad field of inquiry and indeed make their contribution to it For among the many issues already mentioned there was also that of persons What was Christianity to do not just with Adam or Noah say but with Abraham David and Solomon the great prophetic figures of Jewish history and of course with Moses As we move chapter by chapter across the early Christian centuries we see Moses gradually changing in Christian eyes and at the hands of Christian exegetes and theologians until he becomes the philosopher par excellence the forerunner of Plato the archetype of the lawgiver the model shepherd of the people of God yet all on the basis of a scriptural record that Jews would still have been able to recognize Written by a range of established scholars younger and older many of them highly distinguished The Christian Moses will appeal to graduate and senior students to those rooted in a range of disciplines literary historical art historical as well in theology and exegesis and to everyone interested in Jewish Christian relations in this early era    **The Authority and Interpretation of the Bible** Jack

Rogers,Donald K. McKim,1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy    **The Myriad Christ** Terrence Merrigan,Jacques Haers,2000 Papers gathered here are the fruit of an international congress held at the Faculty of Theology of the Katholieke Universiteit Leuven 18-21 November 1997 Pref    **The Gospel of the Hereafter** John Peterson Symth,1918    **The Gospel of the Hereafter ... Twenty-third Edition, Revised and Enlarged** John Paterson SMYTH,1925    *Church and Home Lessons from the Book of the Prophet Hosea* Alfred Clayton Thiselton,1874    **Writing the Gospels** Catherine Sider Hamilton,Joel Willitts,2019-02-21 In this book prominent biblical scholars engage with Francis Watson's most striking arguments on the creation of the gospels Their contributions focus in particular on his argument for a fourfold gospel rather than four separate gospels his argument against Q but for an early sayings collection and on the larger landscape of Jesus studies gospel reception and interpretation The contributors ask whether and in what ways Watson's reorientation of gospel studies is successful and explore its implications for research Leading scholars including Jens Schrøter Margaret Mitchell Richard Bauckham and many others provide a close critical and creative engagement with Watson's work More than merely a critical review of Watson's writing this book carries forward his work with fresh treatments and provides an essential volume for students and scholars seeking to understand the landscape of gospel studies and to explore new directions within it
