The Gourd Dancer Poems:

The Gourd Dancer N. Scott Momaday, 1976 Momaday draws on various traditions and influences especially Native American oral tradition in poems that shift between nature and society past and present actuality and legend

Encyclopedia of American Indian Literature Jennifer McClinton-Temple, Alan Velie, 2015-04-22 Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works The Gourd Dancer N. Scott Momaday, 1976 Momaday draws on various traditions and influences especially Native American oral tradition in poems that shift between nature and society past and present actuality and legend *Reading, Learning, Teaching* N. Scott Momaday Jim Charles, 2007 American Indian Literature Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apess to the Pulitzer Prize winning novel *House Made of Dawn* by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it *Trans-Indigenous* Chadwick Allen, 2012-10-03 What might be gained from reading Native literatures from global rather than exclusively local perspectives of Indigenous struggle In *Trans Indigenous* Chadwick Allen proposes methodologies for a global Native literary studies based on focused comparisons of diverse texts contexts and traditions in order to foreground the richness of Indigenous self representation and the complexity of Indigenous agency Through demonstrations of distinct forms of juxtaposition across historical periods and geographical borders across tribes and nations across the Indigenous settler binary across genre and media Allen reclaims aspects of the Indigenous archive from North America Hawaii Aotearoa New Zealand and Australia that have been largely left out of the scholarly conversation He engages systems of Indigenous aesthetics such as the pictographic discourse of Plains Indian winter counts the semiotics of Navajo weaving and Maori carving traditions as well as Indigenous technologies like large scale North American earthworks and Polynesian ocean voyaging waka for the interpretation of contemporary Indigenous texts The result is a provocative reorienting of the call for Native intellectual artistic and literary sovereignty that fully prioritizes the global Indigenous *The Remembered Earth* Gary Hobson, 1981-04 This broad survey of Native American writing today is incisive reflective moving and provocative in its variety *The Nature of Native*

American Poetry Norma Wilson, 2001 The beginning of the twenty first century marks the maturation of the voices of indigenous poets in the United States Norma Wilson's appealing and accessible collection of essays is both an introduction to and an enthusiastic celebration of the poetic vistas inhabited by modern Native American writers Wilson's scope is both broad and specific as she draws from contemporary criticism tribal histories and folklore interviews with writers and of course from the poetry itself Her study is firmly grounded in the oral traditions and personal and tribal histories of the eight poets on whom she focuses Carter Revard N Scott Momaday Simon Ortiz Lance Henson Roberta Hill Linda Hogan Wendy Rose and Joy Harjo A final chapter on the new generation considers younger poets such as Sherman Alexie Cheryl Savageau Tiffany Midge and Elizabeth Woody among others At the same time Wilson's broad understanding of the literary heritage of East West and First nations allows her to place Native American poetry in global and historical context Wilson points out Native American writers have been influenced by such well known Western canon poets as Blake Whitman and Ginsberg Her study further elucidates the clear mark that Native American literature culture and oral poetic traditions have left on five centuries of British and American literature The Nature of Native American Poetry is a guidebook mapping the modern rhythms of our ancient literary landscape
