

THE GRAIL

*"The grey haired man raised the spear high above his head,
"The Spear of Longinus" he proclaimed, "the spear that killed the Nazarene.
He who holds the Spear holds the destiny of the world in his hands."*

For nearly 2000 years a host of individuals and religious orders have undertaken the search for the Grail, the cup used by Jesus in the Last Supper. Hitler ordered his Nazi Grail Bursar to search for it - in vain. He captured the Spear of Longinus - the Centurion who pierced the side of Jesus with it at the Crucifixion - he wanted the Grail!

This challenging and exciting story brings the powerful symbolism of the Grail to bear on contemporary society and culminates in a brilliant magical ceremony which has quite unforeseen results!

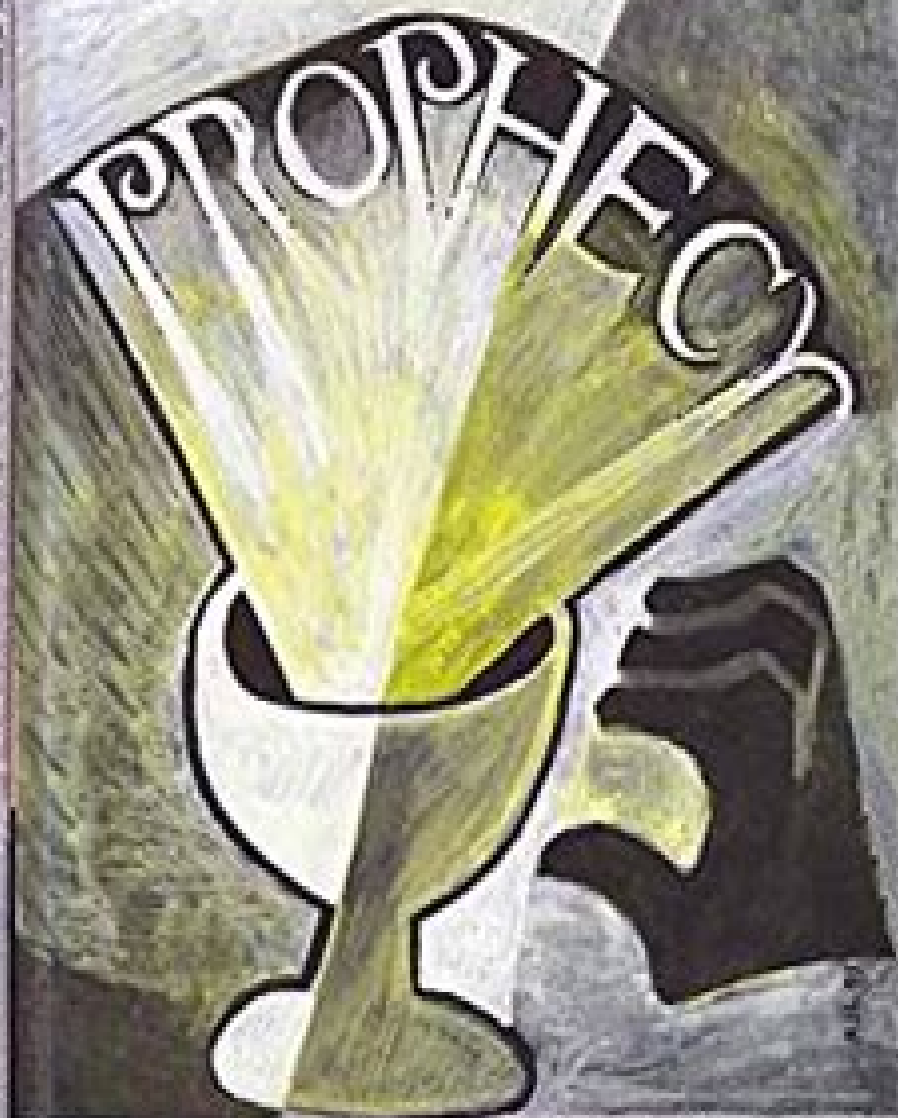

Set in North Devon in the 1940's, four teenagers and the descendant of the Fisher-King, are caught up in a conspiracy which will test them to their limits and which will have consequences for the future of the planet

The Grail Phrophecy:

The Grail Prophecy Jeremy Bell,1996 The Prophecies of Merlin John Matthews, Maarten Haverkamp,2025-07-22
Includes the story of Merlin s birth as the son of a demon how he was born already able to speak how his magic ensured he was not killed by his babysitter and details of his affair with the Lady of the Lake Shares stories of Percival s first contact with the Grail and King Arthur s connection with the legendary mystical king Prester John Includes early Welsh prophecies attributed to Merlin prophecies compiled by historian Geoffrey of Monmouth and the letter of Prester John that inspired Columbus Maarten Haverkamp acquired a French book from 1498 titled The Prophecies of Merlin that claimed to be prophecies given by the legendary magician The book was really a compilation of documents collected by an unknown 13th century monk Working with John Matthews Maarten spent five years translating the mysteries hidden in this obscure book Presenting their translation and commentary the authors share forgotten stories of early Arthurian literature and magic They share the tale of Merlin s birth from a demon how he was born able to speak and how his magic ensured he was not killed by his guardian Merlin s affair with the Lady of the Lake is detailed ending with his imprisonment in a tomb Other stories include Percival s first contact with the Grail and King Arthur s connection with the mystical king Prester John The authors show how The Prophecies of Merlin sheds new light on the world of King Arthur and the women who learned magic from Merlin To reveal the esoteric meaning of this work the authors include Welsh prophecies attributed to Merlin translated by John and Caitl n Matthews other prophecies attributed to Merlin that were compiled by Geoffrey of Monmouth and the original letter of Prester John that inspired the Polo family and Columbus to search for India Discovering a hitherto lost or forgotten book about Merlin and King Arthur is a rare event these days Yet here the authors present a virtually forgotten and to date untranslated book which includes much that is new and exciting about the legendary king and his magical adviser Through their translation and insightful passage by passage commentary they reveal secrets long hidden behind the obscure language of the prophetic utterances **Prophecy and the Quest for the Holy Grail** Kathryn Karczewska,1998 This study reconsiders the Vulgate Cycle and the functional interrelation of prophecy and epistemological critique in thirteenth century Grail literature no mere prediction prophecy marks a critical strategy by which the nature and limits of knowledge are put into systematic question **God's Englishmen, lectures on the prophets and kings of England, ed. by C. W. Stubbs** Englishmen,1887 Wagner's Parsifal William Kinderman,2018-03-01 William Kinderman s detailed study of Parsifal described by the composer as his last card explores the evolution of the text and music of this inexhaustible yet highly controversial music drama across Wagner s entire career This book offers a reassessment of the ideological and political history of Parsifal shedding new light on the connection of Wagner s legacy to the rise of National Socialism in Germany The compositional genesis is traced through many unfamiliar manuscript sources revealing unsuspected models and veiled connections to Wagner s earlier works Fresh analytic perspectives are revealed casting the dramatic meaning of Parsifal in a

new light Much debated aspects of the work such as Kundry's death at the conclusion are discussed in the context of its stage history Path breaking as well is Kinderman's analysis of the religious and ideological context of Parsifal During the half century after the composer's death the Wagner family and the so called Bayreuth circle sought to exploit Wagner's work for political purposes thereby promoting racial nationalism and anti-Semitism Hitherto unnoticed connections between Hitler and Wagner's legacy at Bayreuth are explored here while differences between the composer's politics as an 1849 revolutionary and the later response of his family to National Socialism are weighed in a nuanced account Kinderman combines new historical research sensitive aesthetic criticism and probing philosophical reflection in this most intensive examination of Wagner's culminating music drama *A Commentary on the Holy Scriptures: Minor prophets* Johann Peter Lange, Philip Schaff, 1876 *The Island of Avalon: Volume 2* Francis Lot, 2015-06-16 Much of the legendary material concerning King Arthur and Joseph of Arimathea's association with Glastonbury is derived from the interpolations into William of Malmesbury's investigation into the Antiquity of Glastonbury *De Antiquitate Glastonie Ecclesie* However it is William of Malmesbury's mention of the Island of Ineswitrin donated to Glastonbury in 601AD by a king of Devon and this same island's association to the Isle of Ictis discovered by Pytheas from which tin was sold to the Phoenicians which links the island to Burgh Island in Devon Melkin's prophecy indicates that Joseph of Arimathea is buried on Avalon It is the geometric decryption of Melkin's prophecy which shows us that Joseph of Arimathea known as a tin merchant in Cornish legend is still buried on Burgh Island along with the enigmatic duo fassula *The Doctrine of the Prophets* Alexander Francis Kirkpatrick, 1897 **The Island of Avalon: Volume 1** Francis Lot, 2015-06-12 La matiere de Bretagne is a name given collectively to the body of medieval literature and legendary material associated with Great Britain especially King Arthur and his knights and their association to the Grail It is the link between the Grail stories and the legends of both King Arthur and Joseph of Arimathea and their connection to Glastonbury the Island of Avalon which is central to this investigation The legend of King Arthur at Glastonbury is primarily derived from Geoffrey of Monmouth's mention of King Arthur's arrival at the Island of Avalon after his fatal fight with Mordred It is the later bogus disinterment of King Arthur's manufactured grave at Glastonbury which establishes Glastonbury's synonymy with Avalon This volume sets out to show how the abbot of Glastonbury Henry Blois used Geoffrey of Monmouth as a nom de plume and concocted the epic tale from Brutus to Arthur which is now known as the History of the Kings of Britain and was responsible for composing the Prophecies of Merlin **Malory's Morte D'Arthur** Larry Dean Benson, 1976 **Musical Courier**, 1890 Vols for 1957-61 include an additional mid-January no called Directory issue 1st-5th ed The 6th ed was published as the Dec 1961 issue *The Romance and Prophecies of Thomas of Erceeldoune* Thomas (the Rhymer), 1875 The poem Tomas off Ersseldoune with its prophecies relating to the future of Scotland The editor places its completion about 1401 or one hundred years after the death of Thomas It is difficult to say whether it even claims to be his work Portions of it may be earlier than 1400 and may be based on an

older tale composed by Thomas himself **Syllabus of a Course of Six Lecture-recitals on Wagner, the Music Drama**
