Lifestyle DR. R.E. KNODEL JR.,2012-09-18 Culture is a hot topic today But of what exactly does culture consist What is it Author Richard Knodel not only defines the idea more clearly than ever before but also defends the notion that God himself established this concept in the Creation Using Knodel s expert guidance culturologists now have an amazing new resource for understanding their subject and building upon it He begins with his definition and then argues the sense of it Succeeding chapters analyze past Christian cultural failures show how Christ is a key to world development and survey competing definitions even that of Islam

Are Evangelical Christians Hypocrites? David Culver Brenner,2025-07-31 Evangelical or born again Christians have come under intense criticism in recent years largely given the high percentage of Evangelicals who voted for President Donald Trump Many see support for Trump s policies and political agenda as inconsistent with Christianity Yet the heightened attention given to Evangelicals hasn t necessarily raised awareness of what they believe or of how being born again transforms them or how it has shaped their worldviews This book answers these questions by exploring the counterintuitive Evangelical belief system that outsiders may find alarming including the beliefs that being born again is a supernatural event that Evangelicals find favor with God apart from their behavior that the Bible is inspired by God and inerrant and that only born again Christians can please God In addition the book examines why Evangelicals strongly oppose multiculturalism and why living in a democratic republic often requires Evangelicals to vote for laws that appear contrary to their duties as Christians This book will help both non Evangelicals and Evangelicals to better understand the born again experience and its effects
