Murray,2023-01-24 Introduction to Business ignites student engagement and prepares students for their professional journeys regardless of their career aspirations Best selling authors Heidi M Neck Christopher P Neck and Emma L Murray inspire students to see themselves in the world of business and to develop the mindset and skillset they need to succeed A diverse set of impactful examples and cases from inspiring startups and small businesses to powerful corporations illustrate how businesses can prosper and create positive impact *Sacred Weapons, Profane Enemies: Saint John Paul II's War on Communism* Geoff Bardell,2014-02-13 The 2014 canonization of John Paul II and the quarter century anniversary of the fall of Polish Communism were the main motivations in writing this book which is richly illustrated with nearly 100 pictures and very reasonably priced The book tells the story of how Saint John Paul II politically deployed sacred weapons and profane enemies in his war on communism The effects of his deployment chiefly during his three pilgrimages to communist Poland were to evoke and refashion nationalist and religious cultural memories shaped over centuries and thereby influence the prevailing political culture of opposition In his doing so the Polish Pope inspired the opposition to peacefully and successfully challenge a communist regime that had at its disposal a full panoply of repressive forces **Resonate** Nancy Duarte,2010-09-28 Reveals the underlying story form of all great presentations that will not only create impact but will move people to action Presentations are meant to inform inspire and persuade audiences So why then do so many audiences leave feeling like they ve wasted their time All too often presentations don t resonate with the audience and move them to transformative action Just as the author s first book helped presenters become visual communicators Resonate helps you make a strong connection with your audience and lead them to purposeful action The author s approach is simple building a presentation today is a bit like writing a documentary Using this approach

you ll convey your content with passion persuasion and impact Author has a proven track record including having created the slides in Al Gore s Oscar winning An Inconvenient Truth Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don t have to be boring ordeals You can make them fun exciting and full of meaning Leave your audiences energized and ready to take action with Resonate
