The Great Falling Away Today:

The Great Falling Away Today Milton Green, 1986 A probing look at the spiritual condition of the body of Christ examining the fortresses of Satan in believers own lives greed pride selfishness and lust of the flesh and shows the scriptural path to rejuvenation through repentance and holiness *False Justice* Stuart Greaves, 2012-12-18 Justice for all False Justice specifically calls for a paradigmatic shift in the way most people think about justice Having a right paradigm of fairness is crucial to withstanding the type of deception that is rapidly permeating our culture today False Justice equips you with the Christ focus and the biblical backing needed to form a right and godly mindset regarding social justice Distinct from other Christian books about social justice False Justice has a Christ centric focus it defines justice in relation to Jesus Himself doesn't simply suggest methodologies it calls for a change in the foundational paradigm of justice tells how Jesus intends to bring godly justice upon the earth reveals how the message of the gospel is the message of justice False Justice brings you closer to God by clearly revealing His desire for righteousness honesty and integrity in the earth setting Christ as the ultimate vision of justice and calling you to set your attention solely on Him **Revelation Unsealed** Donald A. Salerno Jr, 2004 Finally a book which simplistically insightfully and systematically presents an integrated concrete overview of the 22 chapters or 404 verses of the book of Revelation Revelation Unsealed is unique in a number of major areas It is the first book to approach the text of Revelation from what is termed the Pre Wrath Rapture perspective This is the hotly debated view that the church will enter the Seventieth Week undergo the great tribulation of the Antichrist and be gathered off the earth before the wrath of God unfolds This view is presented in a logical scenario which is then placed within the overall context of the Apocalypse Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist Additionally this book also fully covers the relevance of world events the amazing track record of biblical prophecy the fulfillment of the seven religious feast of Israel the battle of Armageddon and the Millennial Kingdom of Jesus Christ All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined Its contents will challenge both the newest Christian and the seasoned biblical scholar *I Am* Don Randolph, 2006-06 The Latter-Day Saints' Millennial Star, 1850 Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply

to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
