**The Great Famine** Robert Dudley Edwards,1962      **The Great Famine** ,1994      **The Great Famine** Robert Dudley Edwards,Thomas Desmond Williams,1962      **Ireland 1798-1998** Alvin Jackson,2025-05-27 The new edition of Alvin Jackson s highly influential survey of 200 years of Irish history Ireland 1798 1998 War Peace and Beyond is the most up to date original and authoritative survey of modern Irish history available in a single volume Leading historian and author Alvin Jackson draws on new research and the latest scholarship to provide a sustained and coherent historical narrative of the varieties and interconnections of the Irish political experience Each chapter examines a major political issue with a particular focus on the tension between Irish nationalism and unionism and beginning with the creation of militant republicanism and militant loyalism in the 1790s Throughout the book Jackson offers striking and perceptive insights into the key issues and personalities of the period Now in its third edition this acclaimed volume provides expanded coverage of the most recent political developments in Ireland both North and South An entirely new epilogue examines the impacts of the Good Friday Agreement the global banking crisis Brexit and COVID 19 on Irish politics and institutions supported by an updated chronology and bibliography Presenting a fresh interpretation of modern Irish political history Ireland 1798 1998 War Peace and Beyond Offers thought provoking analyses of Irish political parties leaders institutions and movements Interweaves social economic and cultural material relevant to the main political themes Covers segments of Irish society not commonly represented in political history texts Stimulates readers to consider familiar historical issues or personalities from new perspectives Ireland 1798 1998 War Peace and Beyond Third Edition is an invaluable resource for undergraduate and graduate students working on Irish and British political history as well as general readers in search of an incisive stylish and accessible account of the last two centuries of Ireland s past      **Irish Historical Studies** ,1995 Vols 1 include the sections Writings on Irish history 1936 1979 Research on Irish history in Irish British and American universities 1937 8      **The Great Famine** John Percival,1995 The Irish famine of 1845 1851 killed a million people mostly from disease resulting from months of slow starvation Hundreds of thousands were evicted and left destitute and another million and a half fled the country taking with them the horrors of hunger disease and despair Linked to a BBC2 television series this book tells the story of this huge tragedy from the social background of the impoverished Ireland of the day through the famine s devastating course as people died in their starving thousands to its lasting legacy in the rising Irish independence movement      **The Eternal Paddy** Michael de Nie,2004-08-01 In The Eternal Paddy Michael de Nie examines anti Irish prejudice Anglo Irish relations and the construction of Irish and British identities in nineteenth century Britain This book provides a new more inclusive approach to the study of Irish identity as perceived by Britons and demonstrates that ideas of race were inextricably connected with class concerns and religious prejudice in popular views of both peoples De Nie suggests that while traditional anti Irish stereotypes were fundamental to British views of Ireland equally important were a collection of sympathetic discourses and a

self awareness of British prejudice In the pages of the British newspaper press this dialogue created a deep ambivalence about the Irish people an ambivalence that allowed most Britons to assume that the root of Ireland's difficulties lay in its Irishness Drawing on more than ninety newspapers published in England Scotland and Wales The Eternal Paddy offers the first major detailed analysis of British press coverage of Ireland over the course of the nineteenth century This book traces the evolution of popular understandings and proposed solutions to the Irish question focusing particularly on the interrelationship between the press the public and the politicians The work also engages with ongoing studies of imperialism and British identity exploring the role of Catholic Ireland in British perceptions of their own identity and their empire

**The Dreadful Monster and its Poor Relations** Julian Hoppit,2021-05-27 An invaluable primer to some of the underlying tensions behind contemporary political debate Financial Times It has always been an important part of British self image to see the United Kingdom as an ancient organic and sensibly managed place in striking contrast to the convulsions of other European countries Yet as Julian Hoppit makes clear in this fascinating and surprising book beneath the complacent surface the United Kingdom has in fact been in a constant often very tense argument with itself about how it should be run and most significantly who should pay for what The book takes its argument from an eighteenth century cartoon which shows the central state as the Dreadful Monster gorging itself at the dinner table on all the taxes it can grab Meanwhile the Poor Relations Scotland Wales and Ireland both poor because of tax but also poor in the sense of needing special treatment are viewed in London as an endless drain on the state With drastically different levels of prosperity population industry agriculture and accessibility between the United Kingdom's different nations what is a fair basis for paying for the state

**The Exiles of Erin** Charles Fanning,1997-04-28 Of immense value to anyone interested in the Irish story in America The Boston Globe This collection of three generations of Irish immigrant fiction excerpted from novels magazines and newspapers provides new insight into the nineteenth century immigrant experience It captures the spirit of those who were experiencing the traumas of adjustment and assimilation The men and women authors of these pieces vividly render the details of immigrant life in a variety of settings from Virginia and Nebraska to San Francisco Chicago New York City Philadelphia and Boston from 1820 to 1906 Fanning places each selection in its historical and cultural context by means of introductory notes Together they provide the most extended continuous body of literature available to us by members of a single American ethnic group This new edition provides some additional selections as well as new background material Charles Fanning is Professor of English at Southern Illinois University Carbondale **WRONG** Richard S. Grossman,2013-09-23 The industrialized world has long been rocked by economic crises often caused by policy makers who are guided by ideology rather than cold hard analysis WRONG examines the worst economic policy blunders of the last 250 years providing a valuable guide book for policy makers and the citizens who elect them **Studies in Irish History, Presented to R. Dudley Edwards** Robert Dudley Edwards,1979 **The Irish Famine, 1845-52** Edward Purdon,2000 The Famine of the

1840s deserves the capital letter it invariably gets It was the greatest national calamity ever to befall a people in times of peace and has left its mark on the Irish ever since This account provides the story of the disaster its causes and the inadequate official response    The Great Famine in South-West Donegal, 1845-1850 Pat Conaghan,1997 In this book the Famine in south west Donegal is examined from a local point of view for the first time The people in this area suffered immensely following the blight on the potato crop during several successive years The inhabitants of Glenties Adara Glencolumbkille Teelin Carrick Kilcar Killybegs Dunkineely Inver Mountcharles and Donegal came through those terrible years without a significant level of deaths However they paid an enormous price for their survival Many lost their homes their farms their livestock and most of all their quiet dignity when unable to feed their children the British Association stepped in to keep them alive    The Great Famine.
