The Great Locomotive Chase:

The Great Locomotive Chase William Pittenger, 1910 **The Great Locomotive Chase** William Pittenger, 1889 *The Great Locomotive Chase* Gordon L. Rottman, 2012-09-20 In April 1862 the stage was set for one of the greatest locomotive chases in history Union forces planned to steal a train and travel at high speed to Chattanooga Tennessee disabling the line as they went in order to cut off vital rail supplies to the Confederate stronghold of Atlanta Georgia some 100 plus miles to the southwest What they hadn't banked on was the dogged determination of one man train conductor William Fuller who after realizing his train had been stolen began a frantic pursuit first by handcar then by top speed locomotive dealing with derailments by running miles on foot to the next station and single handedly removing drag ties from the track in front of his train The raiders were so hotly pursued that they had no time to inflict serious damage on the tracks and could not stop to gather more fuel Just north of Ringgold some miles south of Chattanooga The General ran out of wood and the raiders scattered into the forested Appalachian Mountains All were captured within days and sentenced to death Discover the history of one of the most colourful and dramatic episodes of the Civil War Stealing the General Russell S. Bonds, 2007 In April 1862 20 Union soldiers crossed Confederate lines to steal a locomotive called the General and destroy a critical Confederate supply line In the aftermath half the team was executed the half that escaped received the newly established Medal of Honor publishers description **The Great Locomotive Chase and the First Medal of Honor** Cecil Conner, 2025-10-23 The Great Locomotive Chase and the First Medal of Honor On April 12 1862 civilian scout James J Andrews led twenty two Union soldiers deep into Confederate Georgia to steal a locomotive and destroy the Western Atlantic Railroad a mission that could have altered the Civil War's course They successfully hijacked The General at Big Shanty and raced north pursued relentlessly by conductor William Fuller in one of history's most dramatic chases Despite cutting telegraph wires and attempting sabotage Andrews' raiders failed to burn the critical Oostanaula River bridge Running out of fuel just two miles from Union lines they scattered into the Georgia woods Most were captured within days Andrews and seven raiders were executed as spies in June 1862 Six were exchanged as prisoners of war and eight escaped Confederate prisons Their audacious attempt though a strategic failure led to the creation of America's highest military honor nineteen raiders became the first recipients of the Medal of Honor The story of the Great Locomotive Chase endures as a testament to extraordinary courage the thin line between success and failure and how history remembers those who attempt significance over safety even in defeat **The Great Locomotive Chase** William Pittenger, 1893 The Great Locomotive Chase Gene Aiken, 1994 The Great Locomotive Chase MacLennan Roberts, 1956 The Great Locomotive Chase William J.
