theoretical and political trajectory giving an intimate account of the establishment of Althusserian Marxism and the intellectual historical and institutional milieu within which it came to prominence It also charts the singular story of Althusser's relationship with Franca whom he encountered in 1961 and who became his lover intellectual confidante and Italian translator the letters thus have a quasi novelistic dimension and afford a gripping vision of a remarkable couple the chronicle of a passion Their correspondence consequently exhibits an exceptionally diverse tonal range alternately analytical lyrical ludic and sombre displaying an investment in language and expression barely suggested by Althusser's previously published work At once the diary of an intellectual political existence and the narrative of a coup de foudre these letters also uniquely provide an astonishingly self reflexive account of Althusser's experience of manic depression inviting the reader to witness its sometimes exhilarating sometimes devastating effects upon his private and public being Featuring an extensive record of Althusser's long term engagement with the thought and practice of psychoanalysis Letters to Franca bids the reader here and throughout to accompany Althusser on a fascinating journey between theory and life     Kentucky Stock Farm Andrew G.
