The Groeninge Museum Bruges Ludion Guide:

The Memling Museum--St John's Hospital Bruges Irène Smets, Brugge. Memlingmuseum, 2001 This guide is intended to give the visitor of St John's Hospital in Bruges Belgium a thorough understanding of its history and art. The hospital is one of Europe's best preserved medieval hospital complexes. In addition to the site's attraction as a distinctive historic building, it is also home to six exquisite paintings by the Flemish Primitive artist Hans Memling. His paintings are displayed in their original context; they were done for St John's where they hang to this day. This guide gives a history of the hospital, describes the artwork and explains each section of the hospital with artifacts on display, including its fully preserved seventeenth century pharmacy.

The Groeninge Museum, Bruges Irene Smets, 2000 **The Groeninge Museum, Bruges** Till-Holger Borchert, 2016 The rich collection of the Groeninge Museum offers a survey of six centuries of art in the Low Countries, including works from Bosch and Van Eyck to Ensor and Magritte. The masterpieces are discussed in detail, interspersed with many theme texts offering fascinating background information. All this makes the guide an interesting and accessible introduction to art history too.
