Essex Conversations:

Essex Conversations , In the Middle of a Journey Richard S. Gilbert, 2013-04-17 The role of religious education faith development among Unitarian Universalists marks the uniqueness of this religious movement Without dependence on dogma or creed it is essential that a religious community be free to develop its own distinctive identity The centrality of religious education was evident in the very beginnings of this liberal denomination Rev Richard Gilbert collects many of the most influential statements of religious education philosophy in the anthology In the Middle of a Journey From William Ellery Channings eloquent Sunday School Address to the writings of stalwarts Sophia Lyon Fahs and Angus H MacLean these carefully selected essays trace the evolution of faith development from a Christian catechism to a broadly based faith based quest for values meanings and convictions In an age that tends to belittle the past it is refreshing to realize that if we are to chart where we are going it is wise to know where we have been The Unitarian Universalist movement has been in some interesting places and eagerly seeks an adventurous future

Compendious Conversations Kevin Lee Cope,1992 The abundance of information entering the discourse of both English and continental Enlightenments encouraged the exploration of new or the renovation of old genres and disciplines Dialogue the most flexible responsive and spontaneous of forms became not only the preferred but often the dominant method for the retention evaluation analysis and communication of new worlds of knowledge and for the expunging of old worlds of error The contributors to Compendious Conversations take advantage of the recent expansion of literary studies into vast catalogues of overlooked works from dialogical contemplations of Socrates to midnight marital conversations to consider the status of dialogue as both a literary mode and a philosophical method They propose the most comprehensive study to date of the social literary and philosophical history of the form linking Shakespeare s declamation with Coleridge s table talk
