The Gospels Greatest Story Ever Told A Roman Cat:

Judas Iscariot: Damned or Redeemed Carol A. Hebron, 2016-09-22 At the beginning of the 20th century Judas was characterised in film as the epitome of evil the villainous Jew Film makers cast Judas in this way because this was the Judas that audiences had come to recognize and even expect But in the following three decades film makers as a result of critical biblical study were more circumspect about accepting the alleged historicity of the Gospel accounts Carol A Hebron examines the figure of Judas across film history to show how the portrayal becomes more nuanced and more significant even to the point where Judas becomes the protagonist with a role in the film equal in importance to that of Jesus Hebron examines how in these films we begin to see a rehabilitation of the Judas character and a restoration of Judaism Hebron reveals two distinct theologies rejection and acceptance The Nazi Holocaust and the exposure of the horrors of genocide at the end of World War II influenced how Judaism Jews and Judas were to be portrayed in film Rehabilitating the Judas character and the Jews was necessary and film was deemed an appropriate medium in which to begin that process The Historical Jesus Through Catholic and Jewish Eyes Leonard Greenspoon, Dennis Hamm, Bryan F. Le Beau, 2000-11-01 A collection of essays that examines the Galilean peasant named Jesus the historical understanding of him and what difference that makes from the perspective of Catholic and Jewish scholars *A Documentary History of Religion in America Since 1877* Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers **The Gospels** Joe Schrantz, 2003-05 The Challenge of the Silver Screen Freek L. Bakker, 2009 In 1897 only two years after the invention of film the first feature film about Jesus appeared This and other films about Jesus became examples for and an inspiration for films on other important religious figures like Rama Buddha and Muhammad Although religious leaders did not always approve of these films they did find a ready audience among believers This book explores these films and looks at how these films dealt with the fundamental question of portraying an individual thought to have either divine status or a very special and unique status among human beings This book will thus benefit not only students of religious film but also those studying the portrayal of central religious figures in the contemporary world **Naked at the Mic** / L.A. Steel, 2010-03-11 **NAKED AT THE MIC** The Survival of a Liberal in a Time of Peril is a book based upon 10 years of exhaustive research and personal experiences collected in an autobiographical and historical account of the national and international politics and the national social upheaval during the Conservative Revolution That political movement of Bush Fascism during the first decade of the 21st Century as I witnessed and reported it on my television and radio programs and my website www.lasteelshow.org during the years of 2000 to 2009 Naked at the Mic is also a public compliment to the many people who fought valiantly to print and broadcast truth and liberal commentary while the entire broadcast media was dominated and censored of Liberal Thought by the Conservative right wing media the G W Bush administration and the cabal of Muslim hating warmongers

famously known as the NeoCons Naked at the Mic also commemorates the many heroic members of activist and citizen action groups and organizations that fight daily to protect themselves and their country from the insanity of G W Bushs administration and his minions and their nightmare reality of war genocide and slaughter in the Middle East and the cruel corrupt and oppressive government they imposed on the American people during their reign of terror and torture from 2000 to 2008 I speak honestly about the 2008 presidential candidates and the election of Barack Obama and why I voted for him and my great disappointment after his horrific betrayal of all who elected him The research for Naked at the Mic entailed over 5000 news articles that I have personally archived and preserved on paper to verify every quote and reference I make and over 100 books and over 500 recorded interviews with authors activists and politicians on 550 archived radio shows ten televised documentaries and 400 television programs I had produced up to 2009 when I completed this book Naked at the Mic is an honest look back through time at people and events that have been at the forefront of national and world changing events This book is a historical record of one of the most volatile decades in American and world history It reports and comments on many of the most important national and international issues from 2000 to 2009 I discuss in detail the corrupt 2000 presidential election 911 the Afghanistan and Iraq invasions Katrina and expose the massive corporate financial and political corruption and mass media cover ups until the end of 2009 I honestly expose left and right wing politics and give a unique front line perspective of the massive sea change of American Society that caused G W Bushs 75 percent approval rating in 2001 to his final approval rating of 24% in 2008 Naked at the Mic The Survival of a Liberal in a Time of Peril is honest fast moving highly informative and well researched and is an accurate historical account of the characters involved with one of the longest running liberal radio shows in America during one of the most politically conservative and most destructive periods in American history that has led to the current economic military and moral demise of America Ralph Waldo Emerson once stated in his essay The Oversoul Oh Believe that every word that was meant for thine ear to hear will come to thee I believe a lot of people are meant to hear what this book has to say L A Steel
