

The Grand Dukes

James Hogg, Florence Marryat

The Grand Dukes:

The Grand Dukes David Chavchavadze, 1990 **The Other Grand Dukes** Janet Ashton, Arturo E. Beéche, Coryne Hall, Grant Hayter-Menzies, Greg King, John Van der Kiste, Marlene Eilers-Koenig, Penny Wilson, 2013-01-15 Examines the biographies of nearly forty men whose birth gave them the right to one of the world's most prestigious positions. All sons of Russian tsars are covered in Volume I. The sons of collateral grand ducal branches are covered in Volume II. The biography of each of the Grand Dukes of Russia brings to life a deeply gripping human saga. These men were born into what then was one of the world's most powerful ruling dynasties. They were not all saints; they were not all demons; they were men whose birth showered them with untold privilege. Some used their birthright for the common good; some did not. Yet they all remain amazingly intriguing, complex, complicated, and conflicted human beings. At birth, they were showered with untold privilege, including a lump sum of money placed in trust for them. By the time these funds were made available to a Grand Duke, the interest alone made them amazingly wealthy. Added to this benefit, they derived salaries from their military appointments, investments, real estate, and inheritance. Thus, the Grand Dukes were able to maintain a lifestyle only surpassed by today's oligarchs and yesteryear's robber barons. They were consummate spenders in paintings, art, architecture, jewels, all while acting as sponsors of talented writers, thinkers, poets, ballerinas, among many others. One was a playwright of considerable talent. Another played a role in working toward the liberation of the serfs. One was a leading admiral with a fondness for fast women and slow ships. Another Grand Duke lived a tortured existence as a closeted homosexual yet became the father of nine children. Publisher's description **Grand Dukes and Diamonds** Raleigh Trevelyan, 2012-03-13 Based on unrestricted access to private papers, *Grand Dukes and Diamonds* charts the history of one of the most influential and extraordinary families of our time: the Wernhers of Luton Hoo. The family's fortune was made by Sir Julius Wernher, financier, mining magnate, and one of the creators of modern South Africa. Luton Hoo, a country house in Bedfordshire, became the site of Wernher's magnificent collection and was duly inherited by Sir Harold Wernher and his wife Lady Zia, daughter of Grand Duke Michael of Russia and a direct descendant of Pushkin. At Luton Hoo, the couple displayed her priceless collection of Fabergé and together they ran a racing stud at Newmarket. Three of their racehorses, Brown Jack, Meld, and Charlottown, became legends in their time. Sir Harold also played a crucial role at D Day, the story of which has its definitive telling within Raleigh Trevelyan's fascinating narrative **The Grand Dukes of Oldenburg** David McIntosh, 2007 **Grand Duke Nikolai Nikolaevich** Paul Robinson, 2014-08-15 Grand Duke Nikolai Nikolaevich Romanov, 1856-1929, was a key figure in late Imperial Russia and one of its foremost soldiers. At the outbreak of World War I, his cousin Tsar Nicholas II appointed him Supreme Commander of the Russian Army. From 1914 to 1915 and then again briefly in 1917, he was commander of the largest army in the world in the greatest war the world had ever seen. His appointment reflected the fact that he was perhaps the man the last Emperor of Russia trusted the most. At six foot six, the Grand Duke towered over those around him. His fierce

temper was a matter of legend However as Robinson s vivid account shows he had a more complex personality than either his supporters or detractors believed In a career spanning fifty years the Grand Duke played a vital role in transforming Russia s political system In 1905 the Tsar assigned him the duty of coordinating defense and security planning for the entire Russian empire When the Tsar asked him to assume the mantle of military dictator the Grand Duke instead of accepting persuaded the Tsar to sign a manifesto promising political reforms Less opportunely he also had a role in introducing the Tsar and Tsarina to the infamous Rasputin A few years after the revolution in 1917 the Grand Duke became de facto leader of the Russian migr community Despite his importance the only other biography of the Grand Duke was written by one of his former generals in 1930 a year after his death and it is only available in Russian The result of research in the archives of seven countries this groundbreaking biography the first to appear in English covers the Grand Duke s entire life examining both his private life and his professional career Paul Robinson s engaging account will be of great value to those interested in World War I and military history Russian history and biographies of notable figures

The Grand Duke Konstantin Nikolaevich and the Epoch of the Great Reforms, 1855-1866 Jacob W. Kipp,1970

Custer, Cody, and Grand Duke Alexis Douglas D. Scott,Peter Bleed,Stephen Damm,2015-01-26 On a chilly January morning in 1872 a special visitor arrived by train in North Platte Nebraska Grand Duke Alexis of Russia had already seen the cities and sights of the East New York Washington and Niagara Falls and now the young nobleman was about to enjoy a western adventure a grand buffalo hunt His host would be General Philip Sheridan and the excursion would include several of the West s most iconic characters George Armstrong Custer Buffalo Bill Cody and Spotted Tail of the Brul Sioux The Royal Buffalo Hunt as this event is now called has become a staple of western lore Yet incorrect information and misconceptions about the excursion have prevented a clear understanding of what really took place In this fascinating book Douglas D Scott Peter Bleed and Stephen Damm combine archaeological and historical research to offer an expansive and accurate portrayal of this singular diplomatic event The authors focus their investigation on the Red Willow Creek encampment site now named Camp Alexis the party s only stopping place along the hunt trail that can be located with certainty In addition to physical artifacts the authors examine a plethora of primary accounts such as railroad timetables invitations to balls and dinners even sheet music commemorating the visit to supplement the archaeological evidence They also reference documents from the Russian State Archives previously unavailable to researchers as well as recently discovered photographs that show the layout and organization of the camp Weaving all these elements together their account constitutes a valuable product of the interdisciplinary approach known as microhistory
