Literature and Film Justyna Deszcz-Tryhubczak, Zoe Jaques, 2021-02-01 Winner of the 2023 Edited Book Award from the International Research Society for Children's Literature Contributions by Aneesh Barai Clementine Beauvais Justyna Deszcz-Tryhubczak Terri Doughty Aneta Dybska Blanka Grzegorzczak Zoe Jaques Vanessa Joosen Maria Nikolajeva Marek Oziewicz Ashley N Reese Malini Roy Sabine Steels Lucy Stone Björn Sundmark Michelle Superle Nozomi Uematsu Anastasia Ulanowicz Helma van Lierop Debrauwer and Jean Webb Intergenerational solidarity is a vital element of societal relationships that ensures survival of humanity It connects generations fostering transfer of common values cumulative knowledge experience and culture essential to human development In the face of global aging changing family structures family separations economic insecurity and political trends pitting young and old against each other intergenerational solidarity is now more than ever a pressing need Intergenerational Solidarity in Children's Literature and Film argues that productions for young audiences can stimulate intellectual and emotional connections between generations by representing intergenerational solidarity For example one essayist focuses on Disney films which have shown a long time commitment to variously highlighting and then conservatively healing fissures between generations However Disney Pixar's Up and Coco instead portray intergenerational alliances young collaborating with old the living working alongside the dead as necessary to achieving goals The collection also testifies to the cultural social and political significance of children's culture in the development of generational intelligence and empathy towards age others and positions the field of children's literature studies as a site of intergenerational solidarity opening possibilities for a new socially consequential inquiry into the culture of childhood **The Family in English Children's Literature** Ann Alston, 2008-06-03 From the trials of families

experiencing divorce as in Anne Fine's Madame Doubtfire to the childcare problems highlighted in Jacqueline Wilson's Tracy Beaker it might seem that the traditional family and the ideals that accompany it have long vanished However in The Family in English Children's Literature Ann Alston argues that this is far from the case She suggests that despite the tales of family

woe portrayed in children's literature the desire for the happy contented nuclear family remains inherent within the ideological subtexts of children's literature Using 1818 as a starting point Alston investigates families in children's literature at their most intimate focusing on how they share their spaces their ideals of home and even on what they eat for dinner What emerges from Alston's study are not so much the contrasts that exist between periods but rather the startling similarities of the ideology of family intrinsic to children's literature The Family in English Children's Literature sheds light on who maintains control who behaves and how significant children's literature is in shaping our ideas about what makes a family good The Signal Review of Children's Books ,1983 *The School Librarian* ,1991 Focus on Relationships Elizabeth Ann Poe,Susanne L.
