## **The Great Awakening Event And Exegesis:**

*Great Awakening* D. B. Rutman, 1970-01-15     *Reading Jonathan Edwards* M.X. Lesser, 2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards s birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards s works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes

*Recognizing The Latino Resurgence In U.s. Religion* Ana Maria Diaz-stevens, 2018-02-12 This book delivers a knockout blow to the old notion that Latinos and Latinas are just another immigrant group waiting to be assimilated Taking as analogy the scriptural episode of Emmaus in which Jesus walked unrecognized alongside his disciples the authors detail how after nearly a century of unrecognized presence the nations more than 25 million Latinos and Latinas began in 1967 to use religion as a major source of the social and symbolic capital to fortify their identity in American society Ana Mara Daz Stevens and Anthony M Stevens Arroyo describe how this Latino Religious Resurgence has created a church based model of multicultural pluralism that challenges the current trend of U S politics Emmaus is the biblical episode that recounts how the disciples who had been unable to recognize the resurrected Jesus even as he traveled with them finally come to know him as their Lord through his inspirational conversation In this major new work exploring Latino religion Ana Mara Daz Stevens and Anthony M Stevens Arroyo compare a century old presence of Latinos and Latinas under the U S flag to the Emmaus account They convincingly argue for a new paradigm that breaks with the conventional view of Latinos and Latinas as just another immigrant group waiting to be assimilated into the U S The authors suggest instead the concept of a colonized people who now are prepared to contribute their cultural and linguistic heritage to a multicultural and multilingual America The first chapter provides an overview of the religious and demographic dynamics that have contributed a specifically Latino character to the practice of religion among the 25 million plus members of what will become the largest minority group in the U S in the twenty first century The next two chapters offer challenging new interpretations of tradition and colonialism blending theory with multiple examples from historical and anthropological studies on Latinos and Latinas The heart of the book is dedicated to exploring what the authors call the Latino Religious Resurgence which took place between 1967 and 1982 Comparing this period to the Great Awakenings of Colonial America and the Risorgimento of nineteenth century Italy the authors describe a unique combination of social and

political forces that stirred Latinos and Latinas nationally Utilizing social science theories of social movement symbolic capital generational change a new mentalit and structuration the authors explain why Latinos and Latinas who had been in the U S all along have only recently come to be recognized as major contributors to American religion The final chapter paints an optimistic role for religion casting it as a binding force in urban life and an important conduit for injecting moral values into the public realm Offering an extensive bibliography of major works on Latino religion and contemporary social science theory Recognizing the Latino Resurgence in U S Religion makes an important new contribution to the fields of sociology religious studies American history and ethnic and Latino studies [Discourse Analysis Beyond the Speech Event](#) Stanton Wortham,Angela Reyes,2020-11-29 In its first edition winner of the 2016 Edward Sapir Book Prize from the Society for Linguistic Anthropology of the American Anthropological Association Discourse Analysis Beyond the Speech Event introduces a new approach to discourse analysis In this innovative work Wortham and Reyes argue that discourse analysts should look beyond fixed speech events and consider the development of discourses over time Drawing on theories and methods from linguistic anthropology and related fields this book is the first to present a systematic methodological approach to conducting discourse analysis of linked events allowing researchers to understand not only individual events but also the patterns that emerge across them This new edition Draws on theories and methods from linguistic anthropology and related fields Presents the first systematic methodological approach to doing discourse analysis of linked events Provides easy to use tools and techniques for analyzing discourse both within and across events Offers transparent procedures and clear illustrations to show how the approach can be applied to analyze three types of data ethnographic archival and new media Includes a new chapter focusing on the discourse analysis of contemporary nationalist new media data Updated and revised for the second edition this book is essential reading for advanced students and researchers working in the area of discourse analysis **[Jonathan Edwards' Grammar of Time, Self, and Society](#)** M. Darrol Bryant,1993 This work provides a critical examination of the Heimert thesis and offers a textual examination of the corpus of Edwards s writing in relation to the question of America s symbolic foundations [Reader's Guide to American History](#) Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history [Daughters of Light](#) Rebecca Larson,2000-09-01 More than a thousand Quaker female ministers were active in the Anglo American world before the Revolutionary War when the Society

of Friends constituted the colonies third largest religious group Some of these women circulated throughout British North

### **"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism**

Stephen J. Hamilton, 2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics    Union Seminary Quarterly Review ,1970    Religion in the American Experience Robert T. Handy, 1972    *A World of Baptists* Janet Moore Lindman, 1994    **Cithara** ,1976    **Puritanism in the Making of a**

**Nation** Dean Carl Hammer, 1989    **Retracing Our Steps** Myron A. Marty, H. Theodore Finkleston, 1972 Volume 1 Source documents from the major periods of American history provide the framework for this unique study of our nation's past Each of the 17 chapters in Volume 1 centers around a particular episode and corresponds to material generally covered in first semester U S history courses The text zeroes in on specific people and events to present an in depth study of our past at the same time the topics are highly pertinent to contemporary movements and ideas in America Volume 2 As in Volume 1 chapters deal with major events of the American past starting with the after math of the Civil War and continuing to analyses of the urban crisis and Indochina war of the 60s and 70s Publisher    **Jonathan Edwards** M. X. Lesser, 1981

**The American Deists** Kerry S. Walters, 1992 Challenging carved in stone tenets of Christianity deism began sprouting in colonial America in the early 18th century was flourishing nicely by the American revolution and to all intents and purposes was dead by 1811 Despite its hasty demise deism left a theological legacy Christian sensibility would never be quite the same again    **A Documentary History of Religion in America** Edwin Scott Gaustad, 1993    **Revolutionary America, 1763-1789** ,1984 Ill on lining papers Includes index    The Neglected Northampton Texts of Jonathan Edwards Richard A. S. Hall, 1990 A study of four of Edward's neglected texts from the 1740s which reveal his philosophical sociology and socio political philosophy    *Roots of the Republic* George Dargo, 1974
