approach of the Red Army invoked terror The Germans hoped that the Americans would reach them first they would have preferred to surrender to the Americans **World War II: Major Battles** Deborah Thompson,2013-10-01 This is the chapter slice Major Battles from the full lesson plan World War II World War II began when Germany invaded Poland on September 1 1939 It was the second terrible expensive and tragic war that lasted six years and involved over 200 Students will learn about Germany s role the major battles including and Normandy Our resource provides ready to use information and activities for remedial students in grades five to eight Written to grade and using simplified language and vocabulary social studies concepts are presented in a way that makes them more accessible to students and easier to understand Comprised of reading passages student activities and color mini posters our resource can be used effectively for whole class small group and independent work All of our content meets the Common Core State Standards and are written to Bloom s Taxonomy
