Come, He Is King The Church of Almighty God, Almighty God Christ of the last days has expressed a variety of truths uncovered every truth and mystery in the Bible and revealed to mankind the inside story of the three stages of God's work the mystery of God becoming flesh and God's work of judgment in the last days etc This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days **The New Testament of Our Lord and Saviour Jesus Christ ,1887** Experiential Testimonies Before the Judgment Seat of Christ Christians of The Church of Almighty God, Almighty God Christ of the last days expresses the truth carries out the work of judgment beginning from the house of God and supplies people with all the truths needed for them to be purified and saved God's chosen people have heard the voice of God been brought before God's throne attended the feast of the Lamb and commenced life with God face to face as the people of God in the Age of Kingdom They have received the watering shepherding revelation and judgment of God's words gained a new understanding of God's work seen the true fact of their being corrupted by Satan experienced genuine repentance and begun to focus on practicing the truth and undergoing a change in disposition producing various testimonies about the purification of corruption through experiencing God's judgment and chastisement The judgment work of Almighty God in the last days has made a group of overcomers who through their personal experiences bear witness that the judgment of the great white throne in the last days has already begun Website <https://www.holyspiritspeaks.org> YouTube <https://www.youtube.com/godfootstepsen> Facebook <https://www.facebook.com/en.godfootsteps.org> Email info@almightygodchurch.com *Fulfilled Eschatology* Tim Liwanag,2015-02-25 Fulfilled Eschatology is about the story of the redemption of the Jewish nation and the end of the world prophecies that were accomplished in the first century **The Great Red Dragon** Anthony Gavin,2015-07-14 Excerpt from The Great Red Dragon Or the Master Key to Popery When I first designed to publish the following sheets it was a matter of some doubt with me whether or no I should put my name to them for if I did I considered that I exposed myself to the malice of a great body of men who would endeavor on all occasions to injure me in my reputation and fortune if not in my life which last to say no more was no unnatural suspicion of a Spaniard and one in my case to entertain of some fiery zealots of the Church of Rome But on the other hand I foresaw that if I concealed my name a great part of the benefit intended to the public by this work might be lost For I have often observed as to books of this kind where facts only are related the truth of which in the greatest measure must depend on the credit of the relater that wherever the authors out of caution or fear have concealed themselves the event commonly has been that even the friends to the cause which the facts support give but a cold assent to them and the enemies reject them entirely as calumnies and forgeries without ever giving themselves the trouble of examining into the truth of that which the relater dares not openly avow On this account whatever the consequences may be I resolved to put my name to this and accordingly did so to the first proposals which were made for printing it But by this means I am at the same time obliged to say something in vindication of myself from several aspersions which I lie under and which indeed I have already in a great degree been a sufferer by in the

opinion of many worthy gentlemen The first is that I never was a priest because I have not my letters of orders to produce This it must be confessed is a testimonial without which no one has a right or can expect to be regarded as a person of that character unless he has very convincing arguments to offer the world that in his circumstances no such thing could reasonably be expected from him and whether or no mine are such I leave the world to judge About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
