## **The Great Revival Of 18:**

The Great Revival John B. Boles, 1996-01-01 Drawing upon the religious writings of southern evangelicals John Boles asserts that the extraordinary crowds and miraculous transformations that distinguished the South's First Great Awakening were not simply instances of emotional excess but the expression of widespread and complex attitudes toward God Converted southerners were starkly individualistic interested more in gaining personal salvation in a hopelessly evil world than in improving society As Boles shows in this landmark study the effect of the Revival was to throw over the region a conservative cast that remains dominant in contemporary southern thought and life      **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1927      **Citizens of Zion** Ellen Eslinger, 1999 One of America's most enduring forms of public worship the camp meeting had its beginnings at the dawn of the nineteenth century during the Great Revival that swept the newly settled regions of the young republic The culmination of this phenomenon came in 1801 at Cane Ridge Presbyterian meetinghouse in Kentucky where more than ten thousand people gathered for a week of worship and fellowship      **Broadway Plays and Musicals** Thomas S. Hischak, 2009-04-22 New York City's Broadway district is by far the most prestigious and lucrative venue for American performers playwrights entertainers and technicians While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater this is the first single volume book to cover all of the activities on Broadway between 1919 and 2007 More than 14 000 productions are briefly described including hundreds of plays musicals revivals and specialty programs Entries include famous and forgotten works designed to give a complete picture of Broadway's history and development its evolution since the early twentieth century and its rise to unparalleled prominence in the world of American theater The productions are identified in terms of plot cast personnel critical reaction and significance in the history of New York theater and culture In addition to a chronological list of all Broadway productions between 1919 and 2007 the book also includes approximately 600 important productions performed on Broadway before 1919      Victorian Religious Revivals David Bebbington, 2012-05-31 Revivals are outbursts of religious enthusiasm in which there are numerous conversions In this book the phenomenon of revival is set in its broad historical and historiographical context David Bebbington provides detailed case studies of awakenings that took place between 1841 and 1880 in Britain North America and Australia showing that the distinctive features of particular revivals were the result less of national differences than of denominational variations These revivals occurred in many places across the globe but revealed the shared characteristics of evangelical Protestantism Bebbington explores the preconditions of revival giving attention to the cultural setting of each episode as well as the form of piety displayed by the participants No single cause can be assigned to the awakenings but one of the chief factors behind them was occupational structure and striking instances of death were often a precipitant Ideas were far more involved in these events than historians have normally supposed so that the case

studies demonstrate some of the main patterns in religious thought at a popular level during the Victorian period Laymen and women played a disproportionate part in their promotion and converts were usually drawn in large numbers from the young There was a trend over time away from traditional spontaneity towards more organised methods sometimes entailing interdenominational co operation      **New Theatre Quarterly 28: Volume 7, Part 4** Clive Barker, Simon

Trussler,1992-02-06 One of a series which discusses topics of interest in theatre studies from various perspectives Part 28 includes discussions of Mother Courage at the Citizens 1990 by Margaret Eddershaw and Wole Soyinka s Death and the King s Horseman at the Royal Exchange 1990 by Martin Banham      Finding-list of the Buffalo Library ... **Defining Moments** Bill Johnson,Jennifer Miskov,2016-01-08 A Prophetic Anointing for Today Defining Moments is a fascinating look at the remarkable ways in which God has used ordinary people to change history But it is about more than history alone it illuminates the present and unveils the future Prophetic in nature the book reveals how God wants to work in each of our lives to fulfill His purposes today tomorrow and in the years to come The stories in this collection of God encounters carry a prophetic anointing for all who have ears to hear Author Bill Johnson highlights the significant traits and contributions of many well known revival leaders including John Wesley Charles Finney Dwight L Moody Maria Woodworth Etter Carrie Judd Montgomery Smith Wigglesworth John G Lake Evan Roberts Rees Howells Aimee Semple McPherson Kathryn Kuhlman Randy Clark and Heidi Baker He explains the impact these leaders can have on us today as we respond to the life changing truths revealed through their life stories There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives It is a power that inspires us to hunger for God in such a way that we too will have an encounter with Him that launches us into the world of the impossible enabling us to fulfill a greater measure of our destiny Read this book with a sense of readiness and watch what happens      **The English Catalogue of Books: v.
