The Great Romantic Films:

Immortal Films Barbara Klinger, 2022-11-15 Casablanca is one of the most celebrated Hollywood films of all time its iconic romance enshrined in collective memory across generations Drawing from archival materials industry trade journals and cultural commentary Barbara Klinger explores the history of Casablanca s circulation in the United States from the early 1940s to the present by examining its exhibition via radio repertory houses television and video By resituating the film in the dynamically changing industrial technological and cultural circumstances that have defined its journey over eight decades Klinger challenges our understanding of its meaning and reputation as both a Hollywood classic and a cult film Through this single film survey Immortal Films proposes a new approach to the study of film history and aesthetics and more broadly to cinema itself as a medium in constant interface with other media as a necessary condition of its own public existence and endurance

The 100 Greatest Christmas Movies Scott Speed, 2022-12-04 The book that follows contains one hundred Christmas themed movies and television specials that you should certainly consider watching during the festive season The qualification for entry here is that each film should at least contain a Christmas scene or be set at Christmas There are many perennial Christmas viewing staples like The Wizard of Oz and Willy Wonka and the Chocolate Factory but films like this don t qualify for our book because they aren t set at Christmas Films like On Her Majesty s Secret Service and Night of the Hunter DO qualify though because they have references to Christmas That s how our list works You ll find a very eclectic mix in the book that follows Beloved television cartoons comedy specials obscure horror films art house movies action classics stop motion animation anthology segments and even a few bizarre or cheesy guilty pleasures The list that follows is truly a case of the sublime and the ridiculous at times The connective tissue though is always Christmas So put another log on the fire get yourself a mince pie and prepare to dive into the 100 Greatest Christmas Movies

Romantics and Modernists in British Cinema John Orr, 2010-04-30 In a fresh and invigorating look at British cinema that considers film as an art form among other arts John Orr takes a critical look at the intriguing relationship between romanticism and modernism that has been much neglected in the study of UK cinema and downplayed in the development of Western cinema Encompassing a broad selection of films film makers and debates this book brings a fresh perspective to how scholars might understand and interrogate the major traditions that have shaped British cinema history Covering the period between 1929 and the present this book examines outstanding directors such as Alfred Hitchcock David Lean Carol Reed Nicholas Roeg Terence Davies and Bill Douglas and articulates two genres vital to British cinema the fugitive film and the trauma film which bridge the gap between romantic and modern forms Two detailed chapters also assess the powerful impact of major expatriate directors like Losey Antonioni Polanski Kubrick and Skolimowski on modernism in the 1960s and 1970s Detailed critical readings explore Blackmail The Lady Vanishes Black Narcissus Odd Man Out The Passionate Friends The Innocents Lawrence of Arabia The Servant Blow Up A Clockwork Orange Don t Look Now The Wicker Man Moonlighting the Bill Douglas trilogy and The Long

Day Closes The book concludes with an analysis of the persistence of romantic and modernist forms in the 21st century in two recent prize winning features Control and Hunger *American Postfeminist Cinema* Michele Schreiber,2014-03-11 In light of their tremendous gains in the political and professional sphere and their ever expanding options why is it that most contemporary American films aimed at women still focus almost exclusively on their pursuit of a heterosexual romantic relationship American Postfeminist Cinema explores this question and is the first book to examine the symbiotic relationship between heterosexual romance and postfeminist culture The book argues that since 1980 postfeminism s most salient tensions and anxieties have been reflected and negotiated in the American romance film Case studies of a broad range of Hollywood and independent films reveal how the postfeminist romance cycle is intertwined with contemporary women s ambivalence and broader cultural anxieties about women s changing social and political status *Male Bisexuality in Current Cinema* Justin Vicari,2014-01-10 In recent decades male bisexuality has become a recurring topic in international cinema as filmmakers and their works challenge our ideas about sexual freedom and identity In all of these films more than a dozen of which are covered here bisexuality is treated both as an actual practice and a complex metaphor for a number of things including the need to adapt to changing environments the questioning of rigidly traditional male roles and identities the breakdown and regeneration of the structures of families the limitations of monogamy and the stubborn affirmation of romantic love The Cycle of Consequence Zachary Brigante, PhD,2024-10-30 Why does evil and suffering exist in the world Why would a God of unconditional love allow such a thing or even worse why would such a God craft such a system into His creation Poking around into all types of answers Dr Zachary Brigante eventually discovered an amazing connection between sin and love that sin is the natural consequence of a universe where love is its grand design He calls it the Cycle of Consequence The Cycle of Consequence goes deeper than merely describing how such a remarkable statement could prove true it dives into what living a Christian life based on such revelations would look like including what it reveals about who God is and how humans may have been misperceiving the nature of His creation all along It s actually better than you hoped If you ve ever wondered why the world is the way that it is or how you could live a godly life more simply or even who God is then you have picked up the correct book The Wonderful Romance Favre de Coulevain,Pierre de Coulevain,1914 *Film Year Book* ,1938 Love Stories Michael J. Brathwaite,1988 **The Romance Emporium** Judy Kennedy,Judy Babcock,1986 **John Barrymore** Martin Norden,1995-10-20 Appearing in about 60 films and dozens of stage and radio productions John Barrymore 1882 1942 was arguably the most idolized performing arts figure of his generation Renowned for his ability to make even the flimsiest roles come to life with power and passion the Great Profile reached his apex with title role performances in stagings of Richard III 1920 and Hamlet 1922 25 This book charts his legendary and sometimes scandalous life and career A biography discusses his love of roles requiring physical or psychological distortion his four failed marriages and his memorable achievements on the stage and screen Chapters that follow contain entries for his

performances in stage film and radio productions with each entry providing cast and credit listings plot synopses critical commentary and excerpts from reviews Also included are a discography a chapter on plays and films with characters modeled after Barrymore an annotated bibliography and discussions of archives and special collections The volume closes with a personal essay by Barrymore s Shakespearean vocal coach Margaret Carrington This essay written by a pivotal figure in Barrymore s development as a serious actor has never before been published **Cue** ,1966 **The Film Renter and Moving Picture News** ,1927 **Film Review** ,2005 **Hitchcock--the Murderous Gaze** William Rothman,1982

Confronting murder in the newspaper on screen and in sensational trials we often feel the killer is fundamentally incomprehensible and morally alien But this was not always the popular response to murder In *Murder Most Foul* Karen Halttunen explores the changing view of murder from early New England sermons read at the public execution of murderers through the nineteenth century when secular and sensational accounts replaced the sacred treatment of the crime to today s true crime literature and tabloid reports The early narratives were shaped by a strong belief in original sin and spiritual redemption by the idea that all murders were natural manifestations of the innate depravity of humankind In a dramatic departure from that view the Gothic imagination with its central conventions of the fundamental horror and mystery of the crime seized upon the murderer as a moral monster separated from the normal majority by an impassable gulf Halttunen shows how this perception helped shape the modern response to criminal transgression mandating criminal incarceration and informing a social scientific model of criminal deviance The Gothic expression of horror and inhumanity is the predominant response to radical evil today it has provided a set of conventions surrounding tales of murder that appear to be natural and instinctive when in fact they are rooted in the nineteenth century Halttunen s penetrating insight into her extraordinary treasure trove of creepy popular crime literature reveals how our stories have failed to make sense of the killer and how that failure has constrained our understanding and treatment of criminality today *Variety Film Reviews, 1907-1980: 1907-1920* Kaplan,1983 **The International Film Index, 1895-1990: Film titles** Alan Goble,1991 **Blue Book of 16mm Films** ,1930 **The Illustrated London News** ,1974 **Silent Film Performers** Roy Liebman,1996
