The Goodby People:

The Goodby People Gavin Lambert, 1971 *The Goodbye People* Gavin Lambert, 2000 Long before the term Generation X was coined Gavin Lambert captured the seedy landscape of Los Angeles in absolute moral and physical decay *The Goodbye People* is a danse macabre with a group of ill assorted people who are always changing their addresses and phone numbers as well as their lives In an atmosphere of self indulgence blight and emptiness they revolve around one another weaving together their dreams and nightmares to create a complex pattern of despair The beautiful people who populate Lambert s novel are both the very rich and the very poor what intrinsically links them is an all pervading sense of aimlessness First published in 1971 *The Goodbye People* is an enduring classic and one of the most incisive takes on Hollywood ever written With *The Slide Area* *Inside Daisy Clover* and *Running Time* *The Goodbye People* forms a revelatory Hollywood Quartet of lives in one of the most extraordinary cities in the world **The History of Forgetting** Norman M. Klein, 2008-08-17 Los Angeles is a city which has long thrived on the continual re creation of own myth In this extraordinary and original work Norman Klein examines the process of memory erasure in LA Using a provocative mixture of fact and fiction the book takes us on an anti tour of downtown LA examines life for Vietnamese immigrants in the City of Dreams imagines Walter Benjamin as a Los Angeleno and finally looks at the way information technology has recreated the city turning cyberspace into the last suburb In this new edition Norman Klein examines new models for erasure in LA He explores the evolution of the Latino majority how the Pacific economy is changing the structure of urban life the impact of collapsing infrastructure in the city and the restructuring of those very districts that had been forgotten **The Good-bye Club** George Appleton Stockwell, 1888 *The People's Bible* Joseph Parker, 1885 *The Unspeakable Skipton* Pamela Hansford Johnson, 2025-09-09 It s not easy being a genius Just ask Daniel Skipton the greatest or let us say the most under recognized novelist of his generation Skipton is only a few revisions away from finishing his masterpiece a satire of literary London that will humiliate his enemies and make him as famous and as rich as he deserves Yet in the meantime he is forced to scrape by in obscurity and self imposed exile amid the deserted canals of Bruges barely surviving on a regimen of blackmail bullying persistence and native charm One afternoon at a local cafe he encounters the acclaimed playwright Dorothy Merlin and her entourage worldly tourists on the lookout for erotic adventure and in need of a local guide Soon they are joined by an even juicier target a Venetian count who dreams of singing on the English stage and who will spend anything to make his dream come true Or so he leads Skipton to believe Too long out of print in the U S *The Unspeakable Skipton* belongs on the shelf beside the best work of Nancy Mitford or Muriel Spark As Michael Dirda writes in his foreword it is a dark chocolate treat deliciously witty and bittersweet *Good-bye* John Strange Winter, 1891 *The Girls* John Bowen, 2023-11-14 A wry macabre tale of simple living brutal murder and a reasonably happy couple In their lovely old Cotswolds village Janet and Susan are known to all the other villagers as the girls a fixture Partners in love and work co proprietors of a picturesque shop

specializing in the work of local artisans and farmers they lead an enviable enviably settled life So it s no catastrophe when Sue the younger of the two feels the need to take a month to travel on her own leaving Jan alone to run their stall at the Inland Waterways Rally Craft Fair Nor is it any real threat when a kindly gay man named Alan lends Jan a hand in Sue s absence or when the two wind up sharing some wine and even a bunk for the night If Jan turns out to be pregnant some weeks after Sue s return to the nest what s that but cause for joy And when Alan happens to come visiting by and by finding the delighted girls raising a beautiful baby boy who can blame him for wanting to share in a small part of their bliss Yes theirs is an enviable enviably settled life And the girls will defend it with every tool at their disposal **The People's Bible:**

Acts III Joseph D. Parker,1887 Twice Lost Phyllis Paul,2023-10-24 The dubious reappearance of a young girl lost years before has disturbing impact upon the eccentric family of a former baby sitter "Good-bye, Sweetheart!" Rhoda Broughton,1872 **Lord Jim at Home** Dinah Brooke,2023-10-03 When Dinah Brooke s second novel Lord Jim at Home was first published in 1973 it was described as squalid and startling nastily horrific and a monstrous parody of upper middle class English life It is the story of Giles Trenchard who grows up isolated in an atmosphere of privilege and hidden violence who goes to war and returns and then one day like the hero of Joseph Conrad s classic Lord Jim commits an act that calls his past his character his whole world into question **Scribner's Monthly, an Illustrated Magazine for the People** ,1879

White Out Michael W. Clune,2023-03-21 A classic of addiction and recovery How do you describe an addiction in which your drug of choice creates a hole in your memory a white out so that every time you use it is the first time new fascinating vivid Michael W Clune s story takes us straight inside such an addiction what he calls the memory disease With dark humor and in crystalline prose Clune s account of life inside the heroin underground reads like no other Whisking us between the halves of his precarious double life between the streets of Baltimore and the college classroom where Clune is a graduate student teaching literature we spiral along with him as he approaches rock bottom from nodding off in a row house with a one armed junkie and a murderous religious freak to having his life threatened in a Chicago jail while facing a felony possession charge After his descent into addiction we follow Clune through detox treatment and finally into recovery as he returns to his childhood home where the memory disease and his heroin induced white out begin to fade White Out is more than a memoir It is a rigorous investigation that offers clarity hope and even beauty to anyone who wants to understand the disease or its cure This tenth anniversary edition includes a new preface by the author **Lover Man** Alston

Anderson,2023-02-07 Stories of loners outsiders tricksters addicts jazzmen and drifters in the Jim Crow South a classic of 1950s Black fiction Raw fearless ironic the stories in Lover Man 1958 promised the birth of a new sensibility in American fiction Inspired by the bebop he loved and the philosophy he studied at the Sorbonne Alston Anderson looked back at the North Carolina of his youth to capture the hidden lives of Black boys and men in the early 1940s Fascinated by loners and outsiders tricksters addicts jazzmen drifters queers and by the spiritual cost exacted by the myths of white supremacy

Anderson assembled an original kind of story collection whose themes troubled and bewildered many of his early readers. Although later championed by Langston Hughes and Henry Louis Gates Jr among others this his only collection has remained out of print since the 50s. In his afterword to this new edition the literary historian Kinohi Nishikawa investigates Anderson's brief but brilliant career, the controversy his work provoked and the light it sheds on his era. *Good-bye My Fancy* Walt Whitman, 1891. Young People's Song Book Charles Edward Whiting, 1892. **A Green Equinox** Elizabeth Mavor, 2023-09-19. Hero Kinoull is an antiquarian bookseller whose sedate life in the picturesque English town of Beaudesert is turned upside down between the spring and autumn equinoxes of a single year. First her quiet but forbidden liaison with Hugh Shafto, the curator of the country's finest collection of Rococo art, comes to an abrupt halt when she develops an adoration for his straight-talking do-gooding wife Belle. But this relationship leads to other even more unexpected feelings for Belle's widowed mother-in-law, the majestic Kate Shafto, who spends her days tending her garden and sailing her handmade boats in the waters of the miniature archipelago she's constructed in a disused gravel pit. *Western Christian Advocate*, 1898. Leaves of grass. Including Sands at seventy, Good-bye my fancy, A backward glance o'er travel'd roads Walt Whitman, 1891.
