The Gospel According to John Thomas L. Brodie, 1997

The Gospel According to John Oliver B. Greene, 1966 I have long been aware of the need for a verse by verse commentary on The Gospel of John and the Lord has laid it on my heart to attempt such an exposition John s Gospel is long and in many places quite detailed Its presentation therefore will require more than one volume and will involve many months of study and dedicated work Since The Gospel According to John is known as the salvation Gospel it should be understood by and made familiar to all who are interested in soul winning Its message should also be presented with such clarity and power as to make it effective in reaching the hearts of sinners who read it This I have tried to do in this volume and in those that will follow The key to John s Gospel is found in chapter 20 verses 30 and 31 And many other signs truly did Jesus in the presence of his disciples which are not written in this book but these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name John presents Christ as the Eternal Word incarnate very God in flesh revealing God in the terms of a human life The details recorded in John s Gospel are sufficient evidence of his personal association with the people and the experiences of which he writes In fact he stresses the word witness using it frequently to set forth the verified facts of that personal experience Foreword of Volume 1
